# ADAM - 42

Here is Adam! I originally made him to be an obedient cowboy monster that will eventually find out the error of his ways, but as his character developed, I decided to make him more against curator. Adam was also originally gonna have his own spin off comic, but I decided against that.

Yeah.

It's a date..

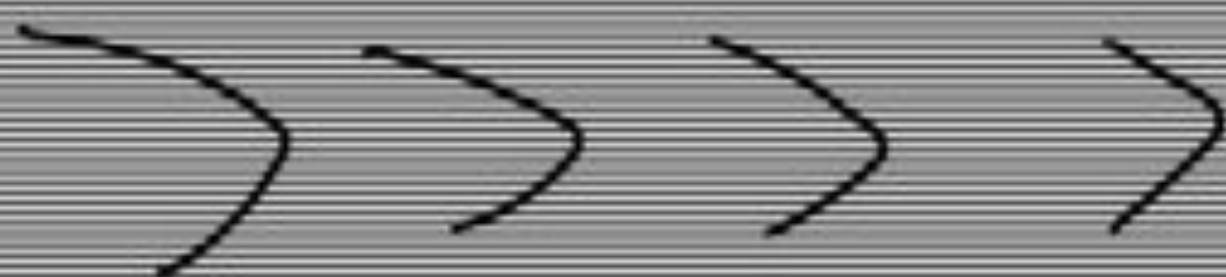

BOSS

heyyyyyyy! Adam...  
sooo..

you know evan's  
family, the murglyborgs  
or whatever...

they accept...

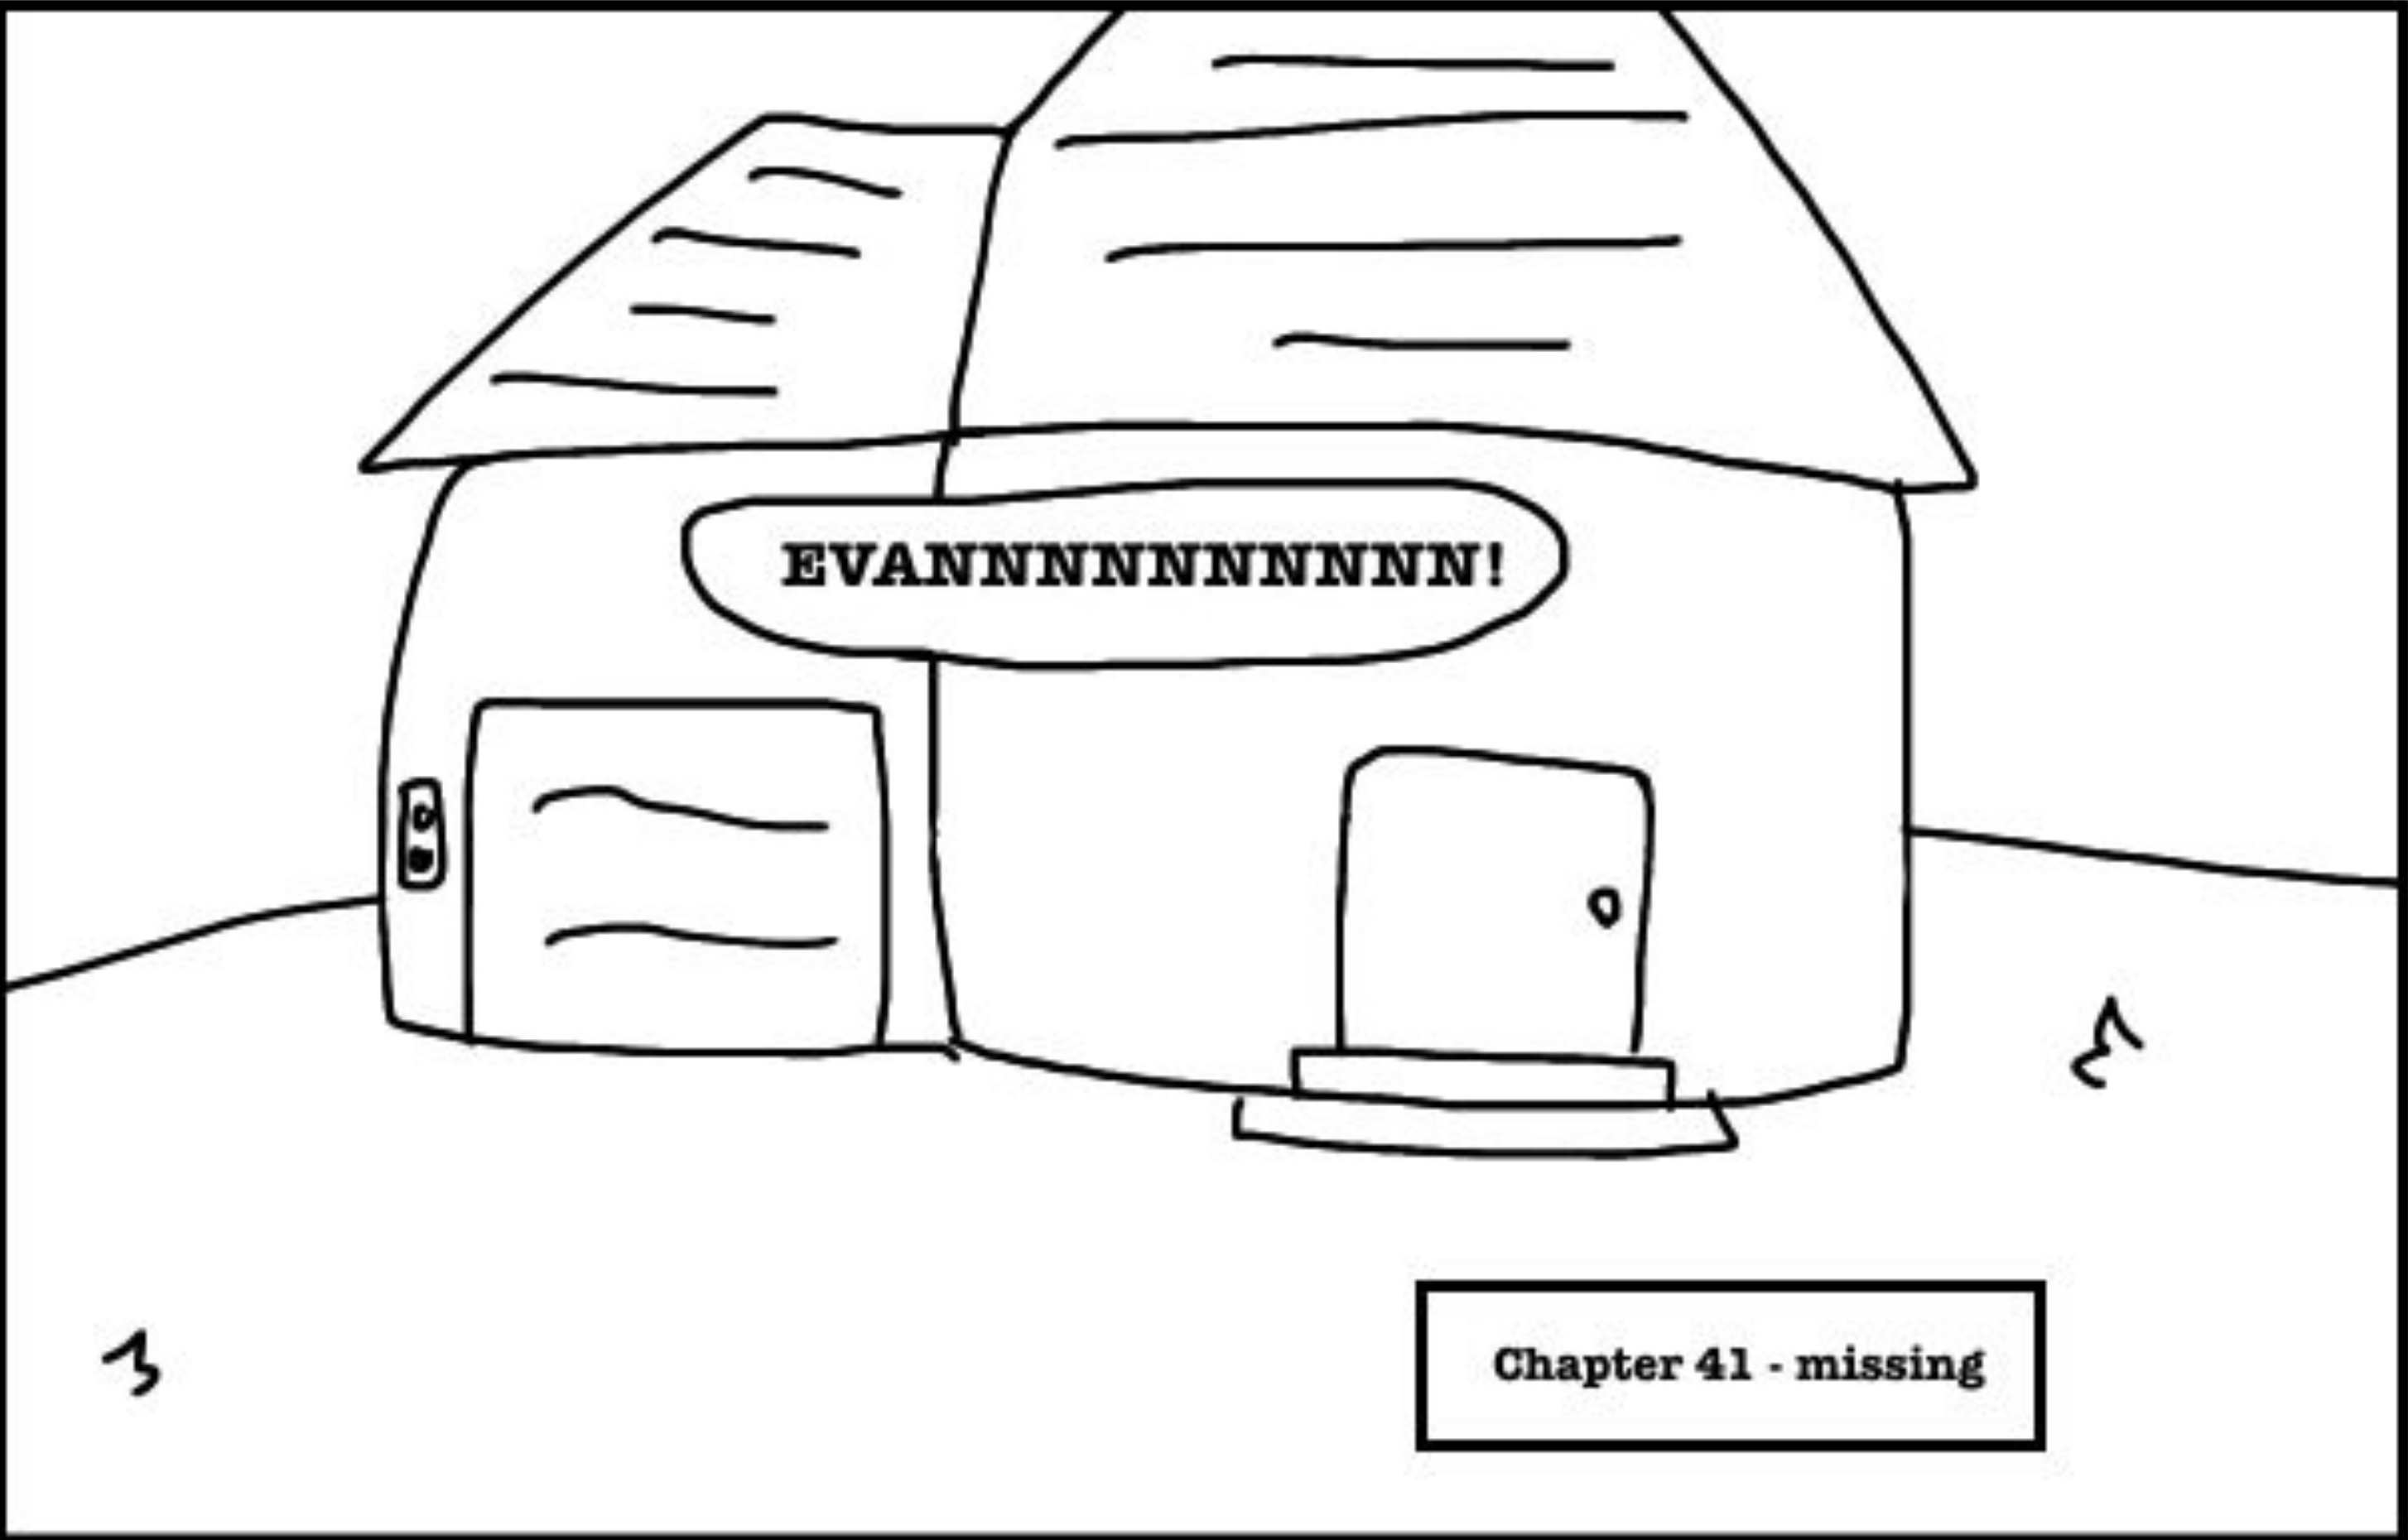

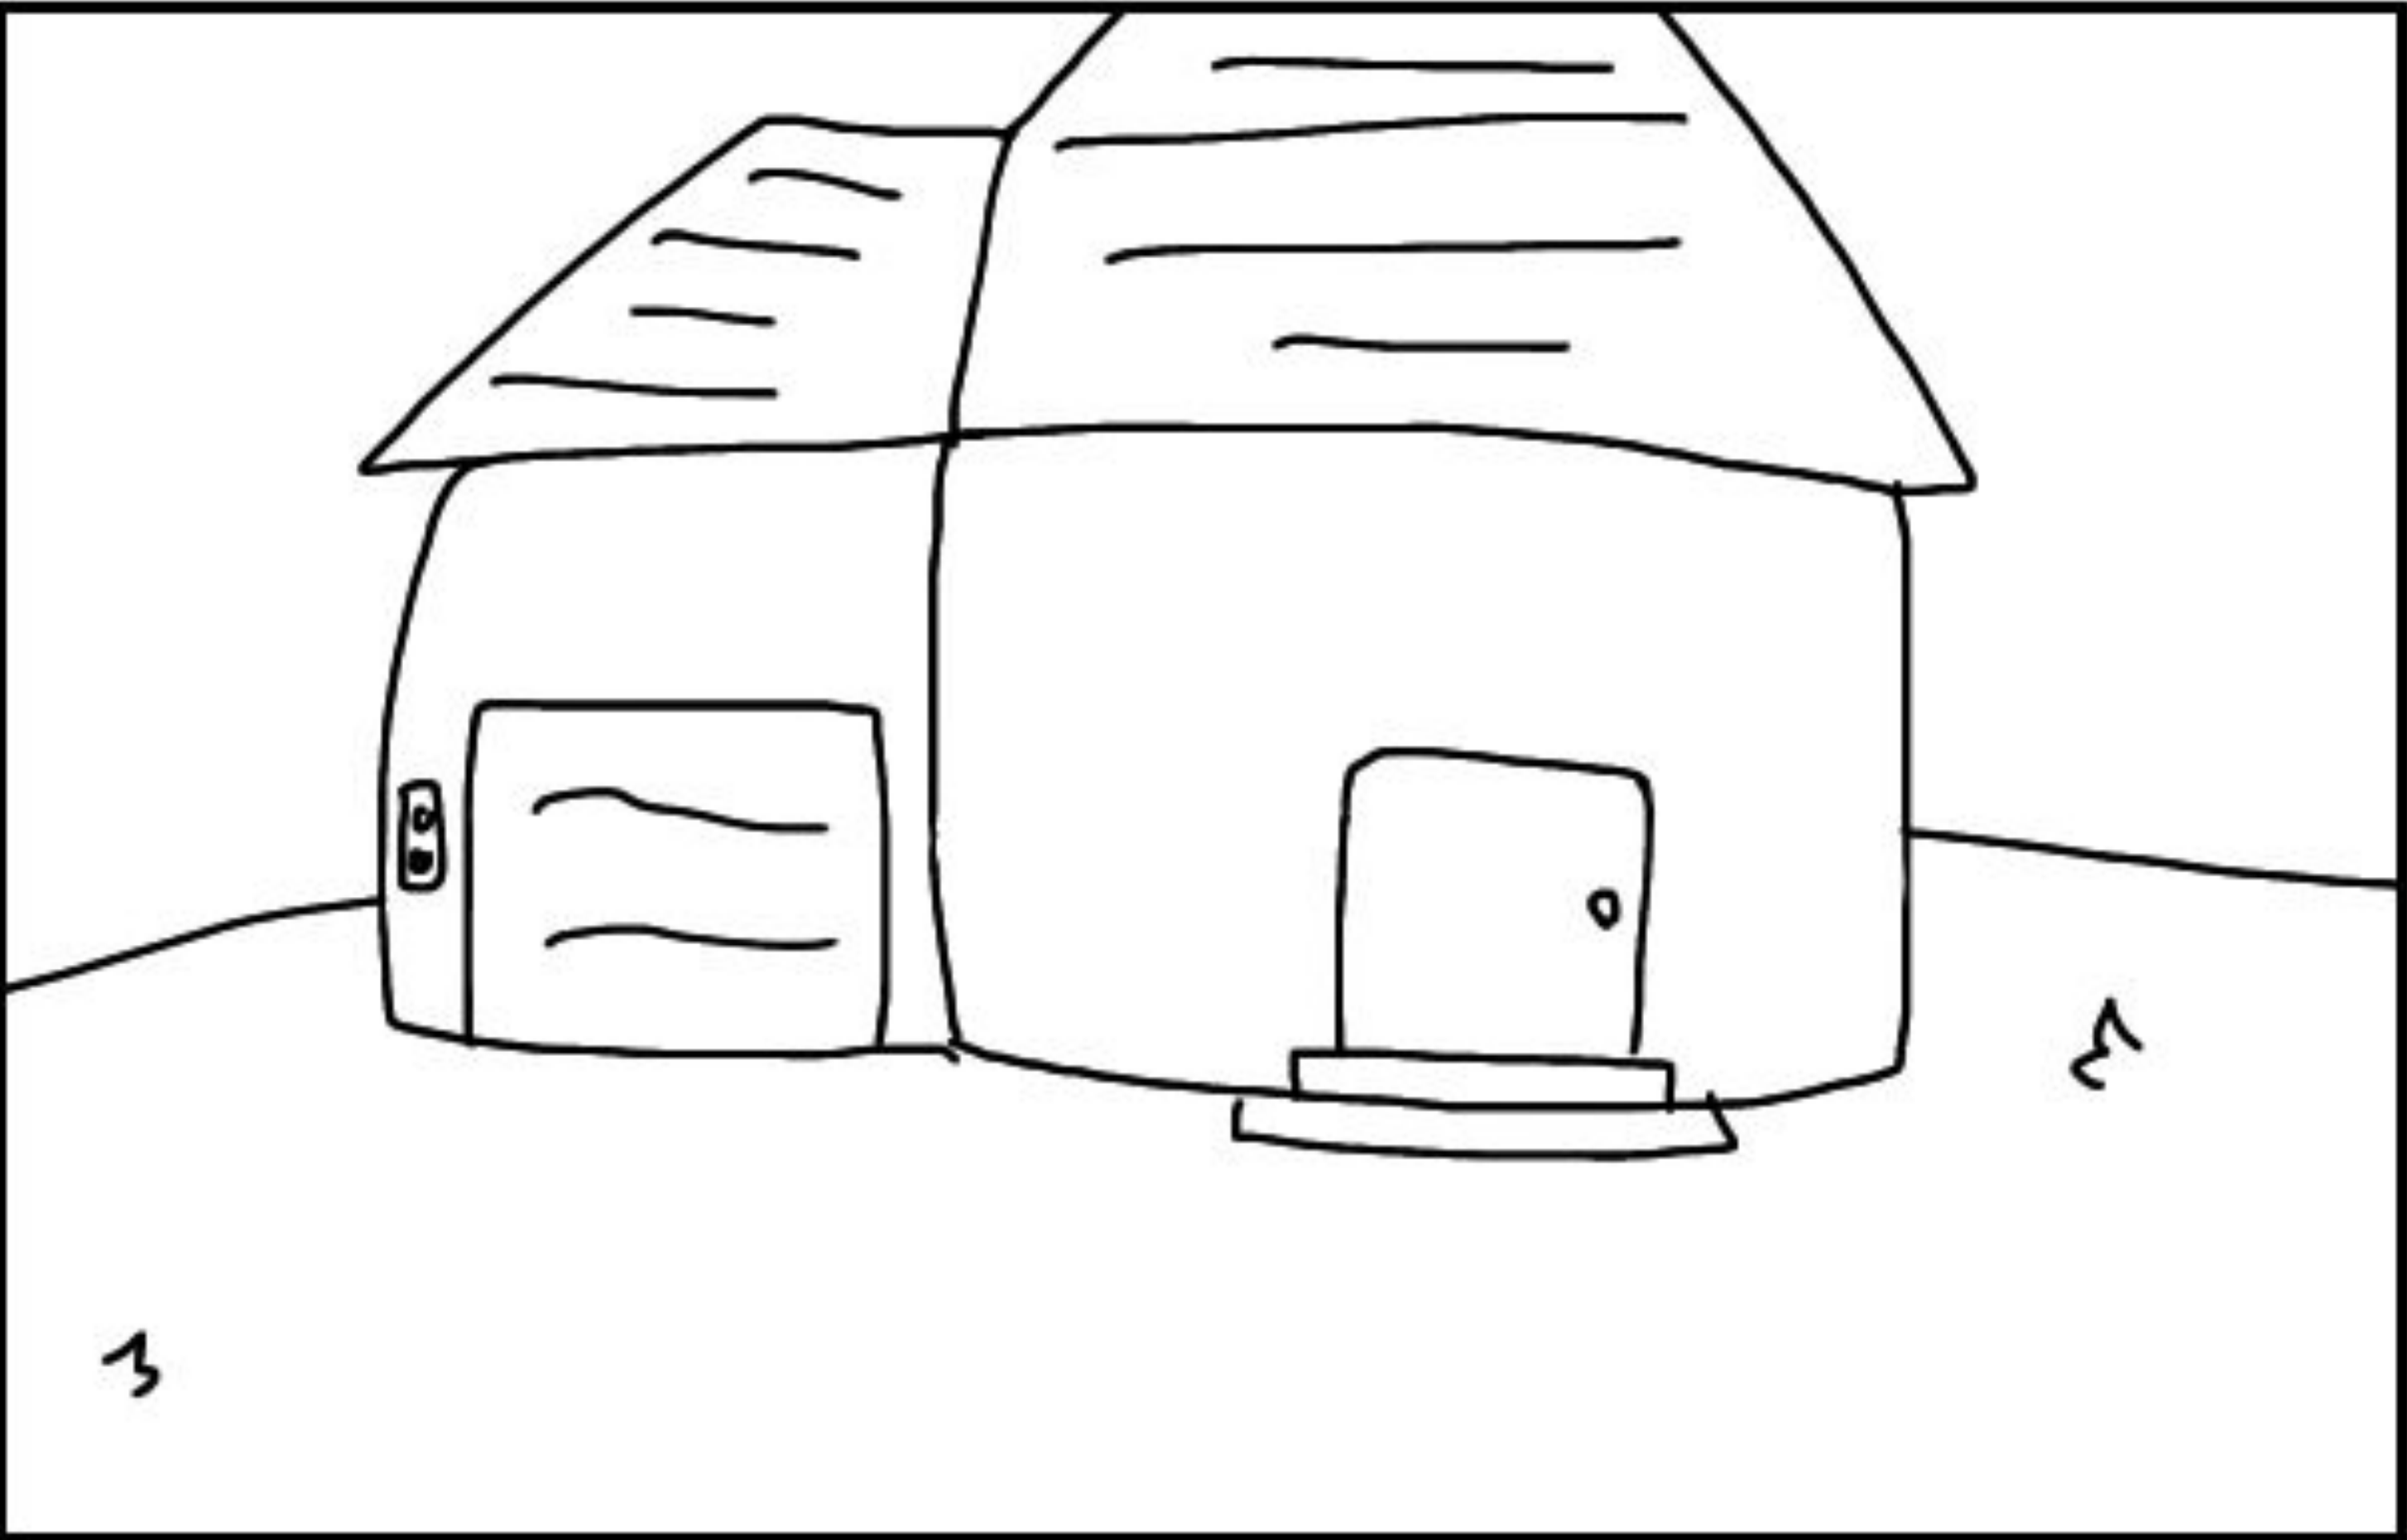

curator invited your  
family to a dinner date.

**Chapter 43**  
he doesn't really wanna go to  
a dinner date with his evil  
ex-boss (but he might just  
have to bring his phone this  
time)

*Dear Micheal Moreno,*

*I would like to invite you to a dinner date.*

*Your acquaintance, Evan Morgleburg, will*

*be there. Make sure to wear something fancy,*

*preferably a suit. haha.*

*Sincerely, curator*

Oh wait... there's a backside! It reads..

**"P.S. By the way, could you unblock my number???  
my hands are very sore and I'm running out of blank  
letters <3"**

**Why wouldn't he just write that on the main letter..?**

At least we know  
where evan is now..

yeah, but we  
still have to  
go to on that  
dinner  
date with  
curator.

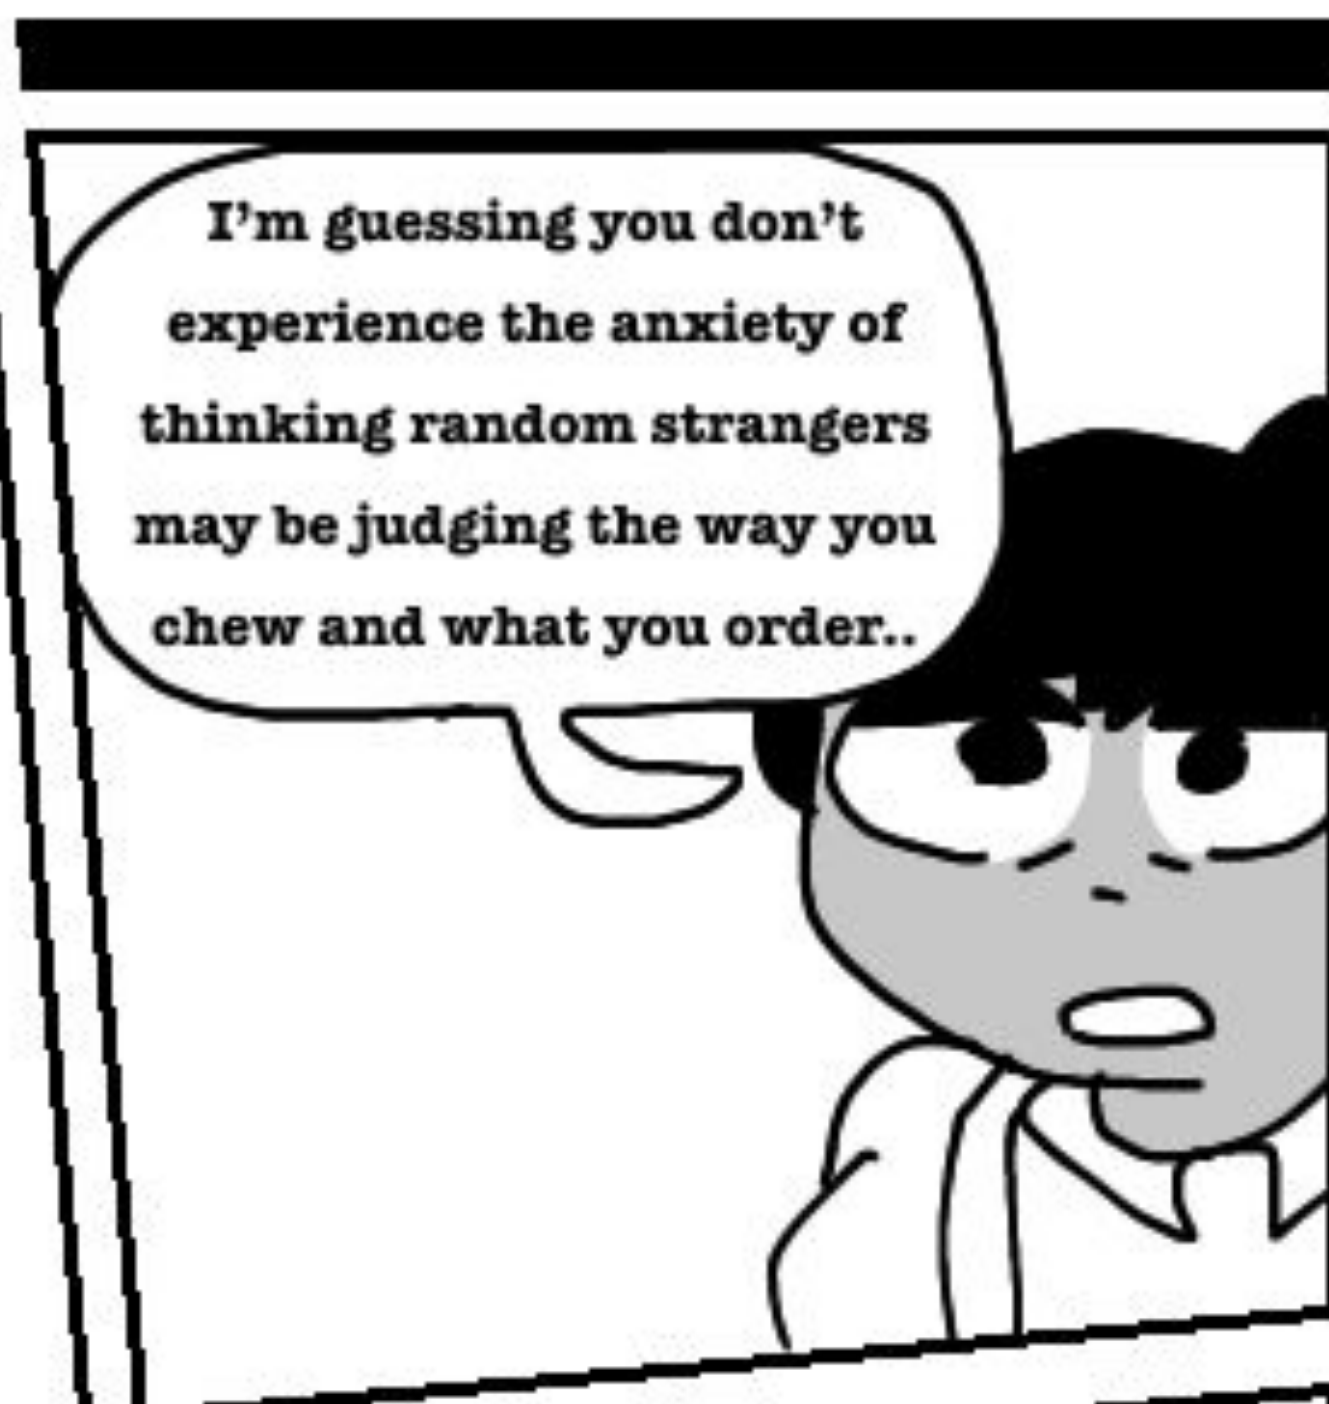

so it's half good, half bad...?

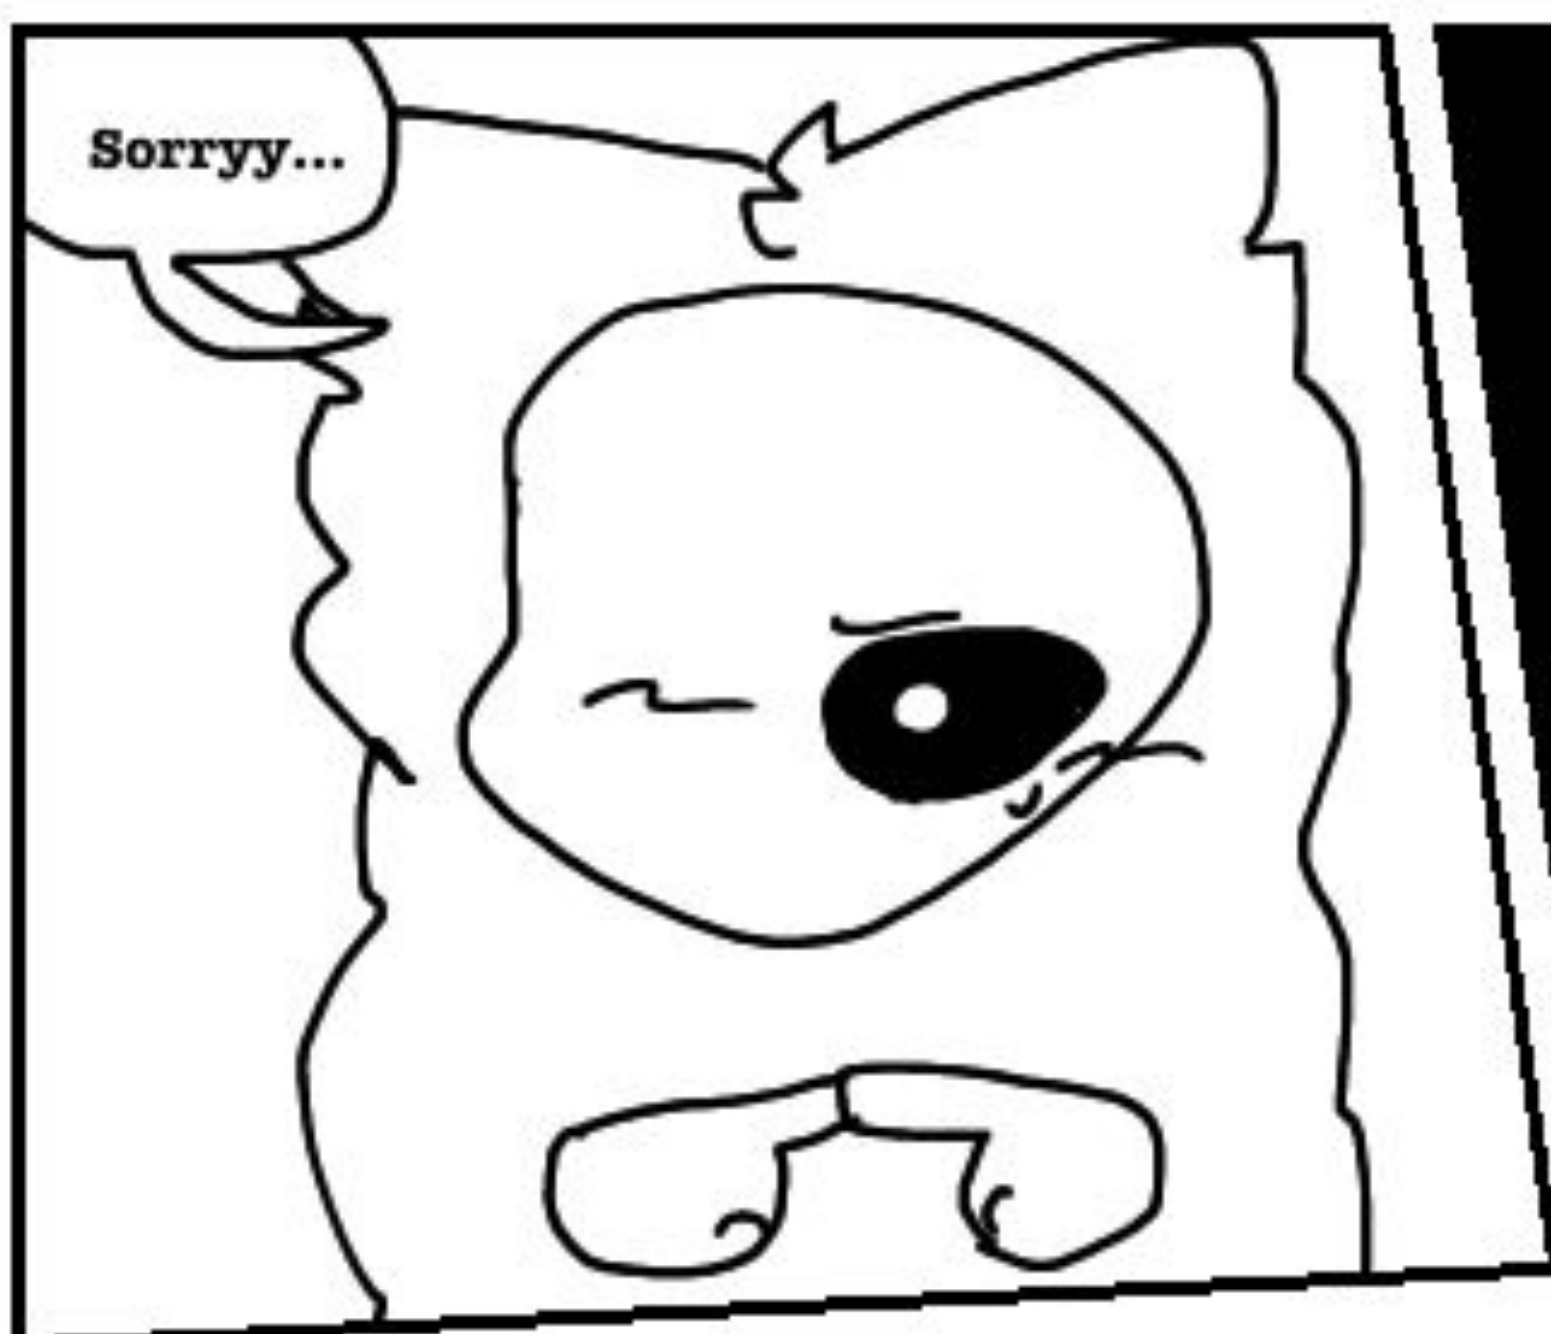

Oh well..

curator has always  
been a party and dinner date guy..  
blegh

So like... do you want  
to go to this dinner date..?

From the looks of the letter,  
curator doesn't really...  
expect us to go.. but he  
does really want us  
too..

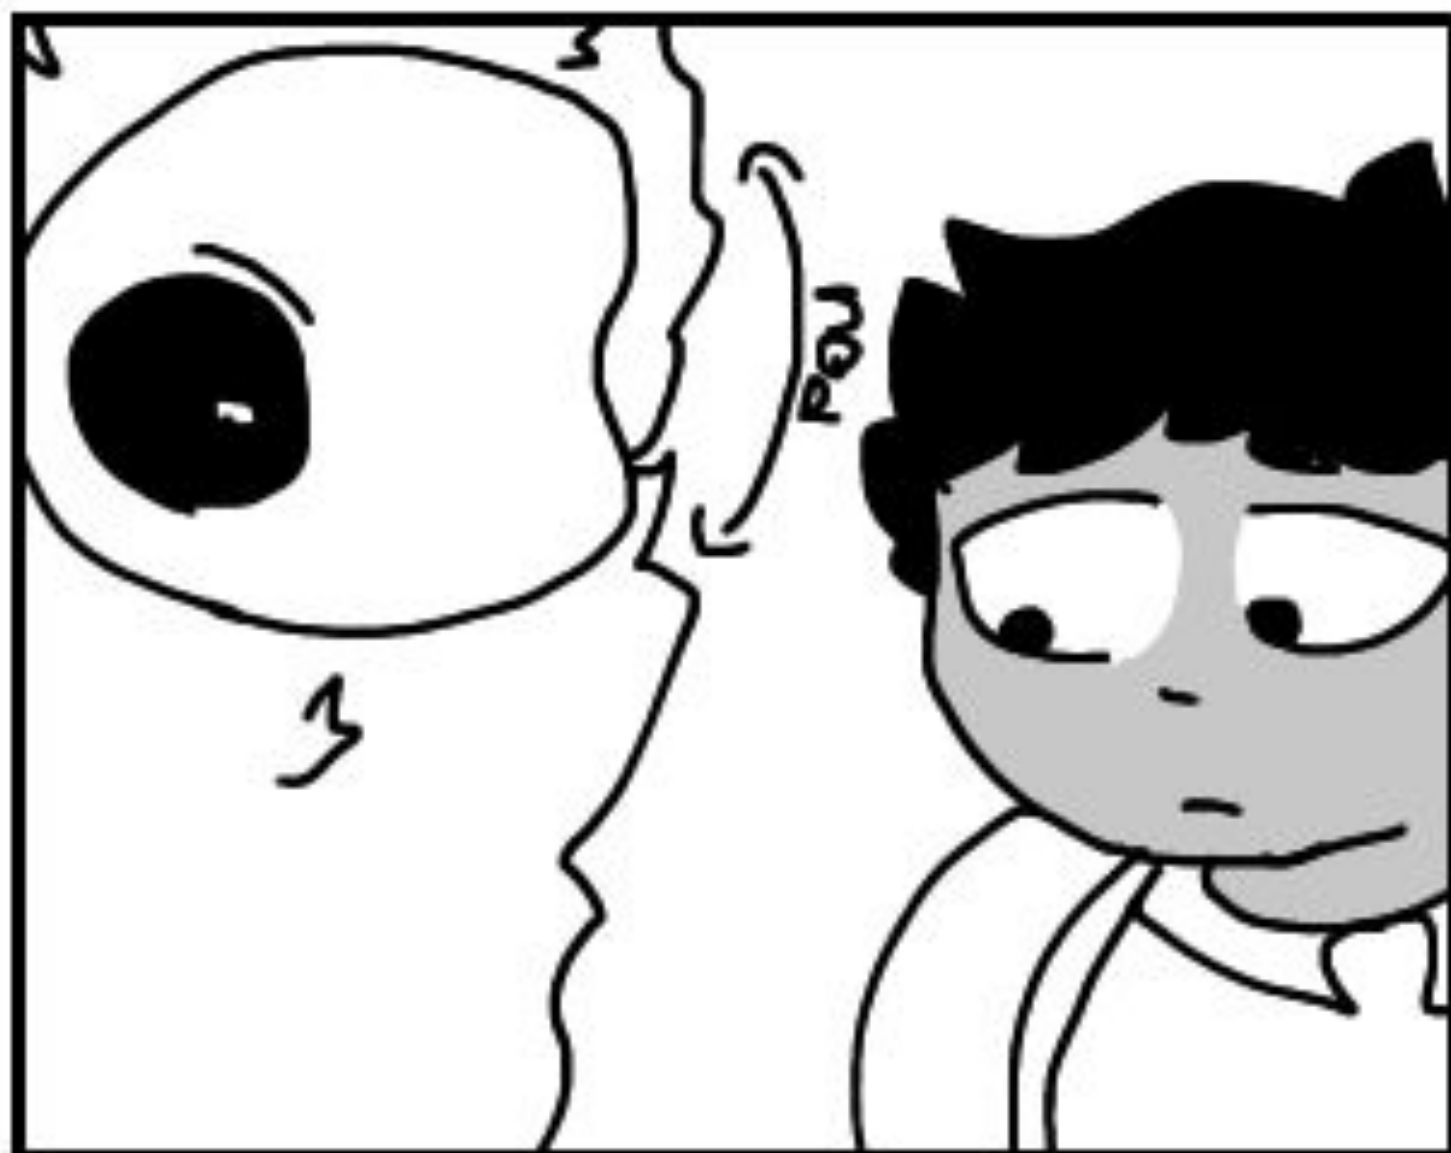

Er uh... i know you  
weren't asking me..  
but please go

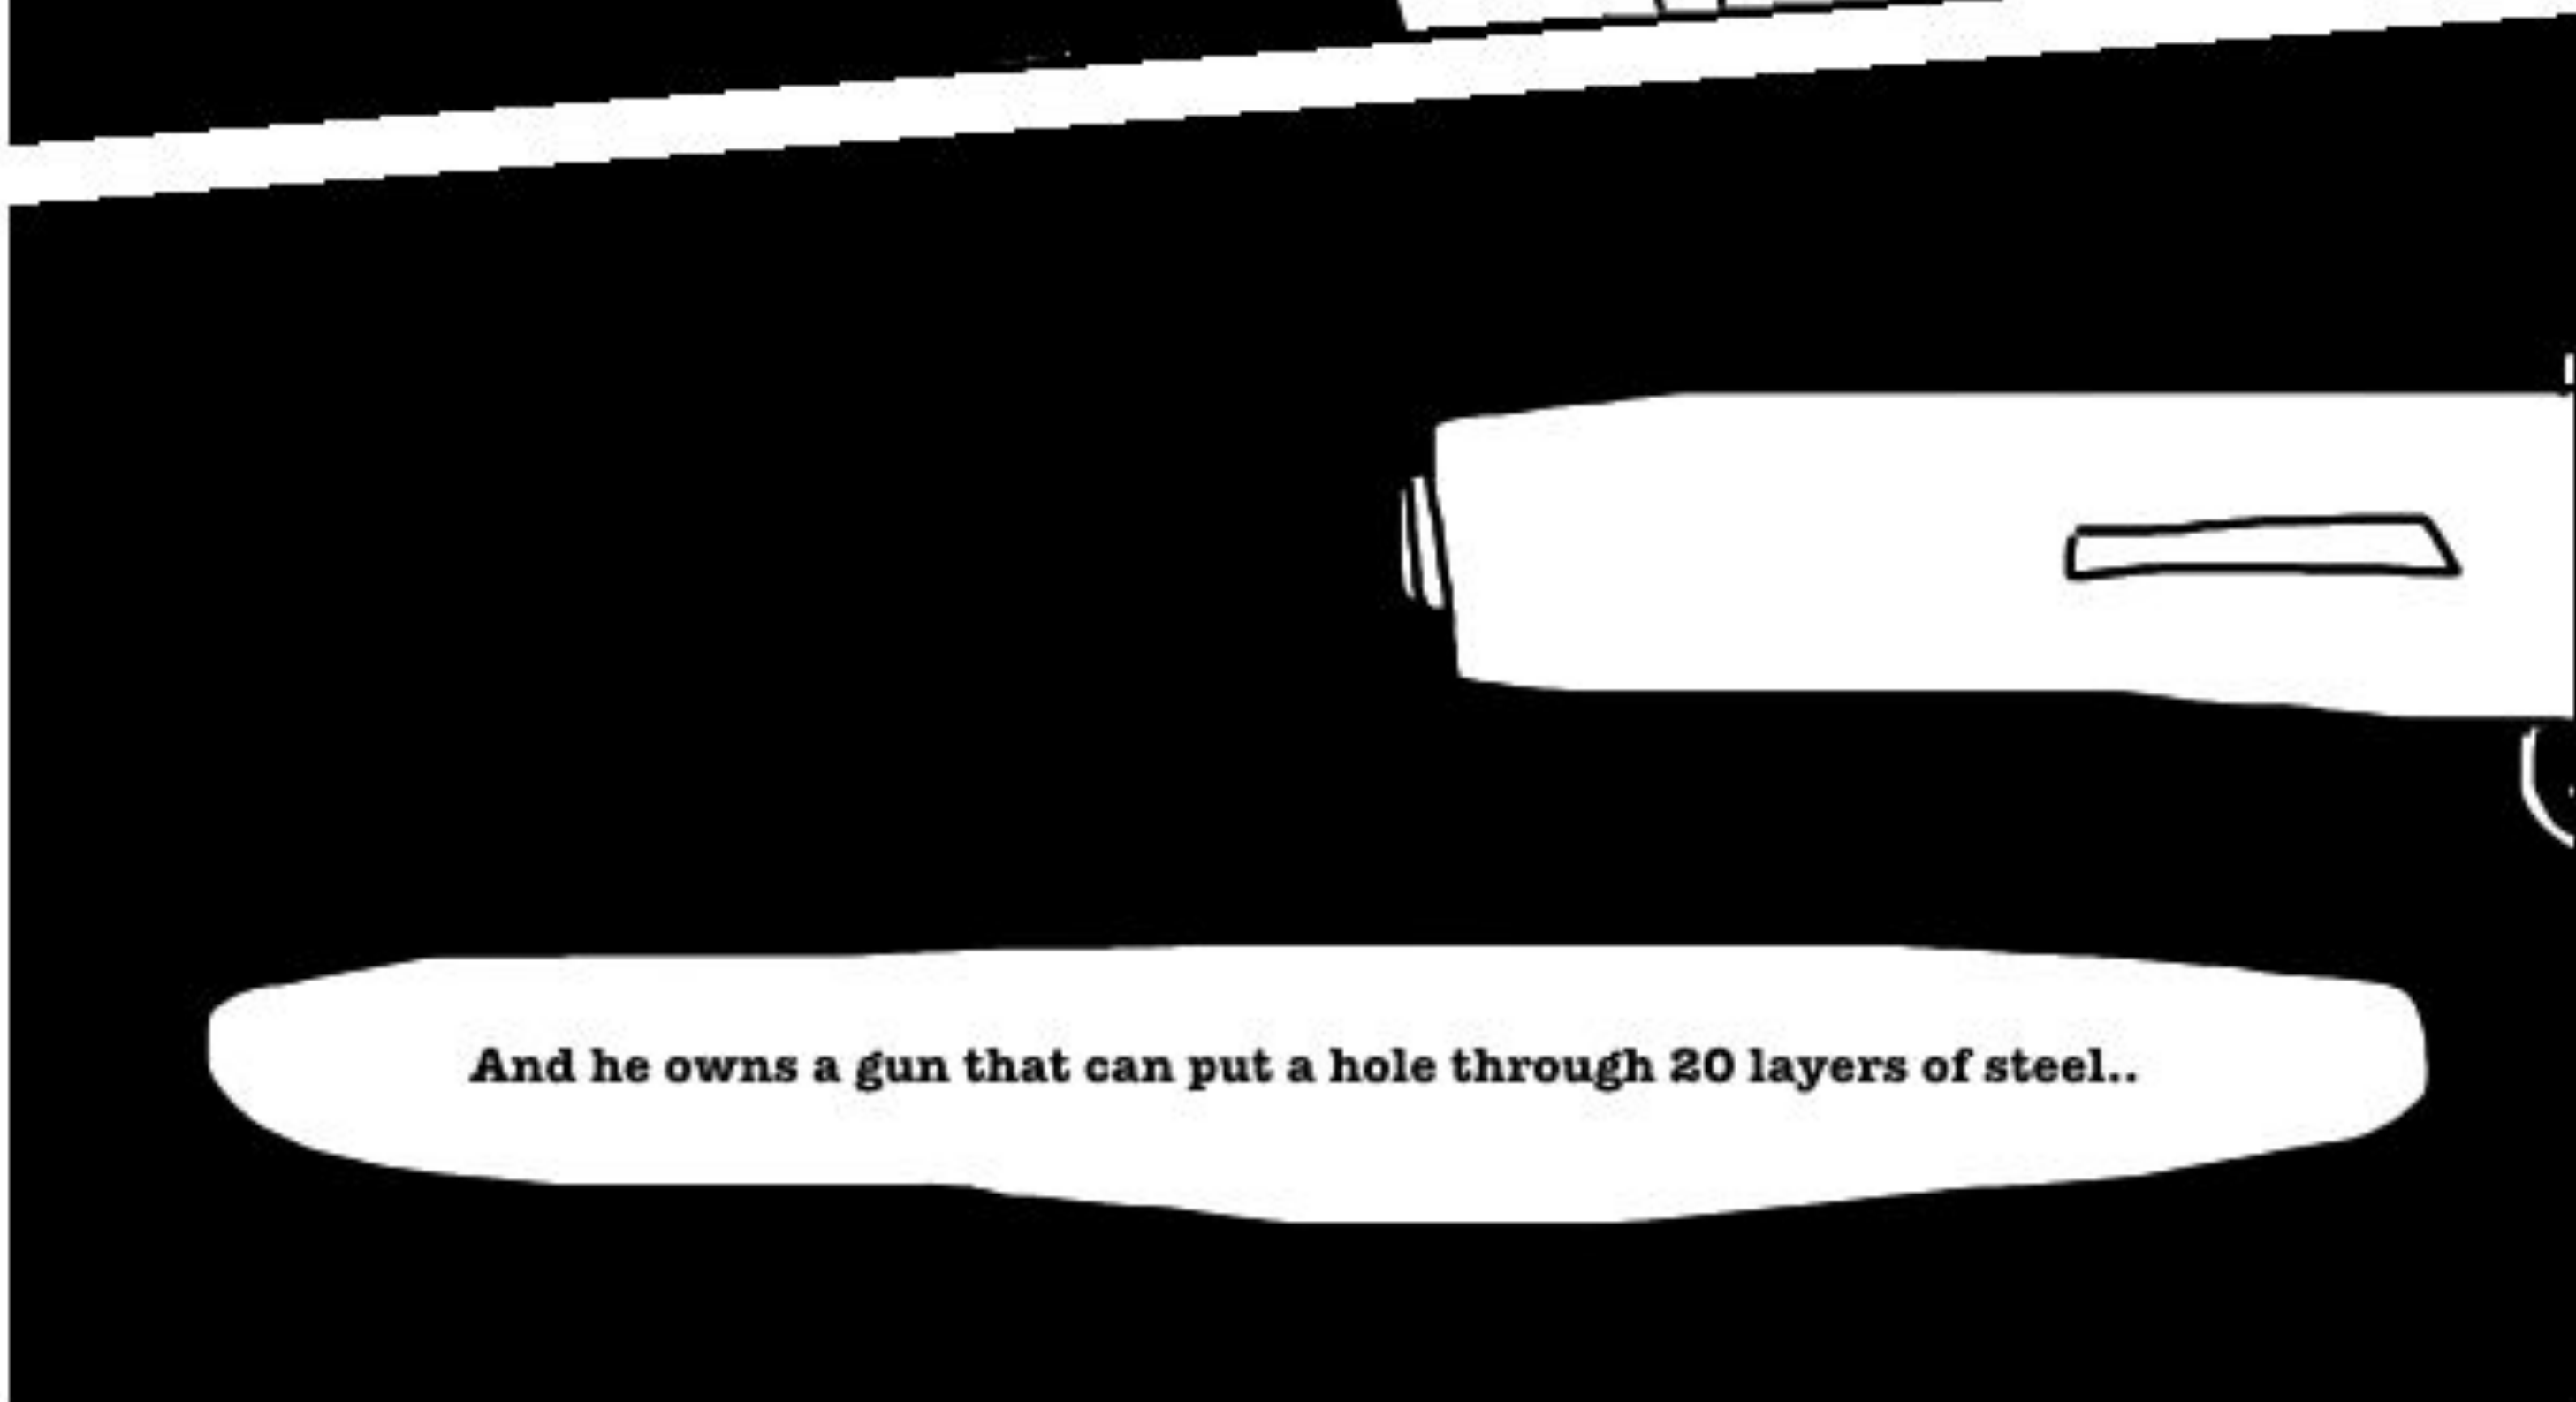

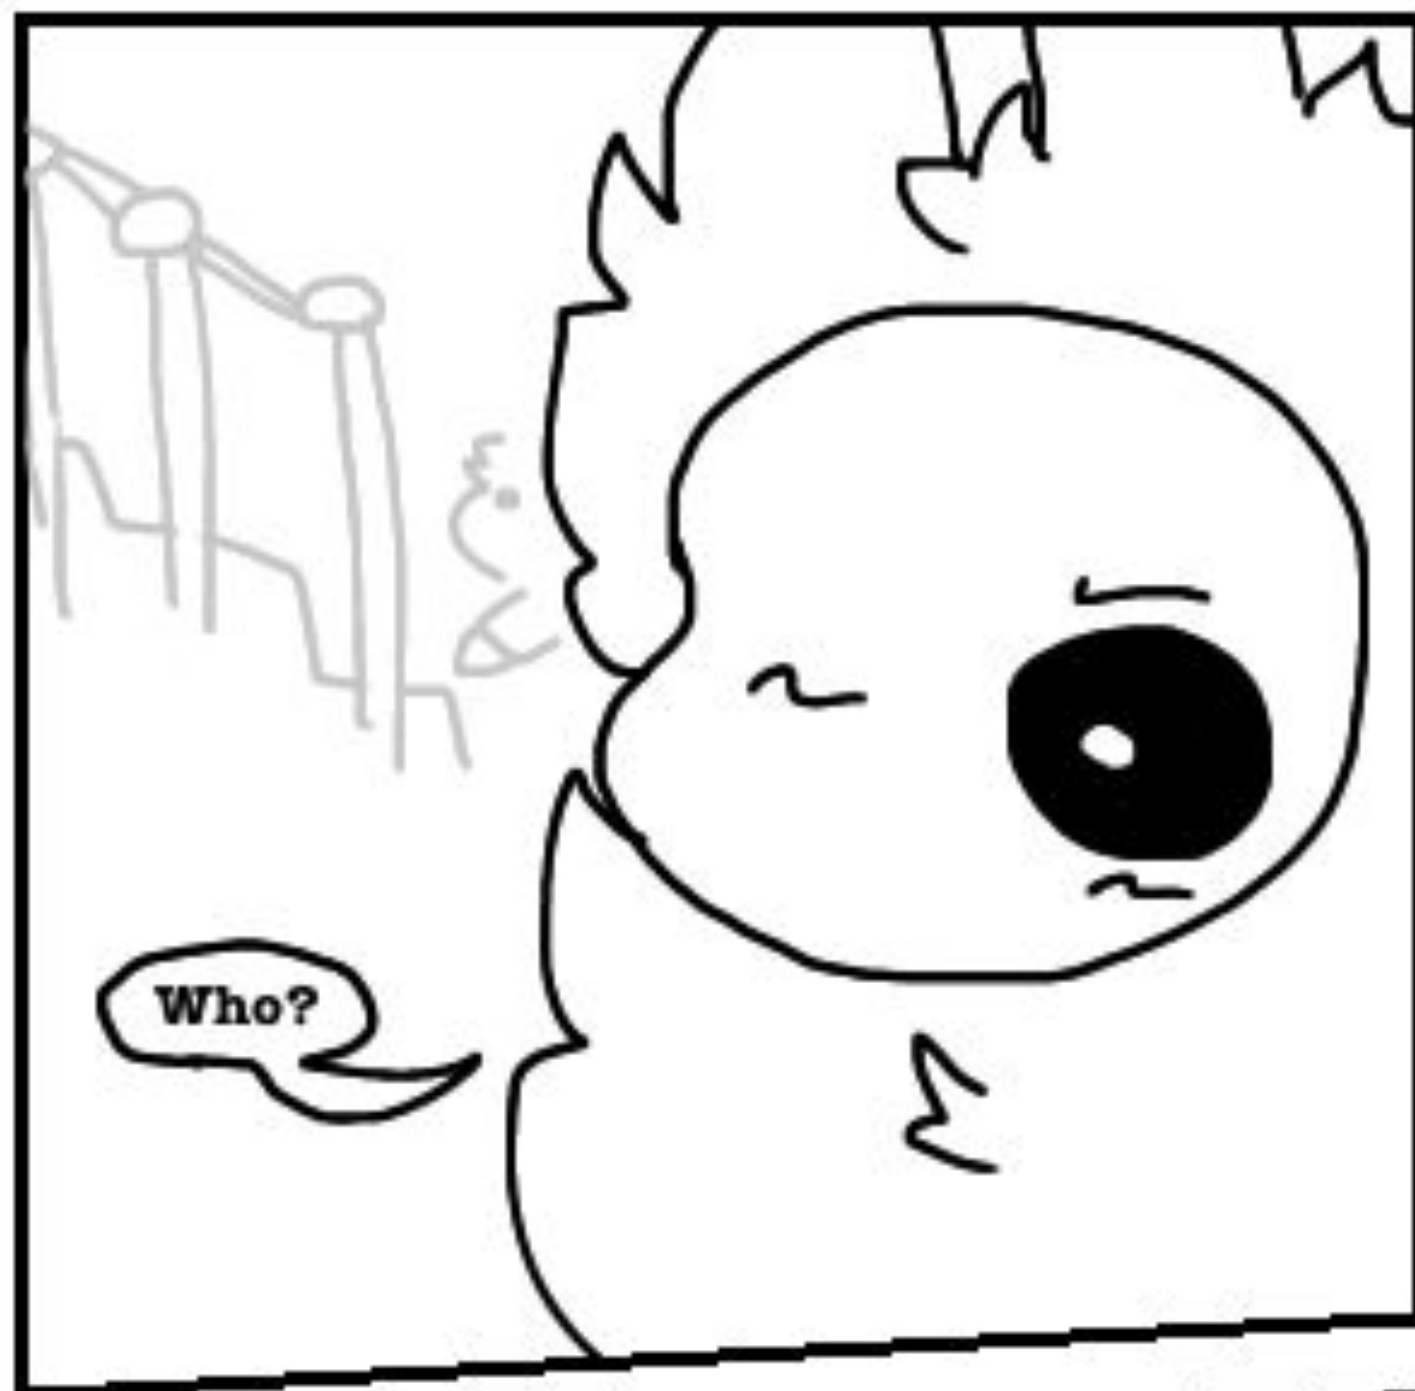

I need my big 'ol punching bag back!

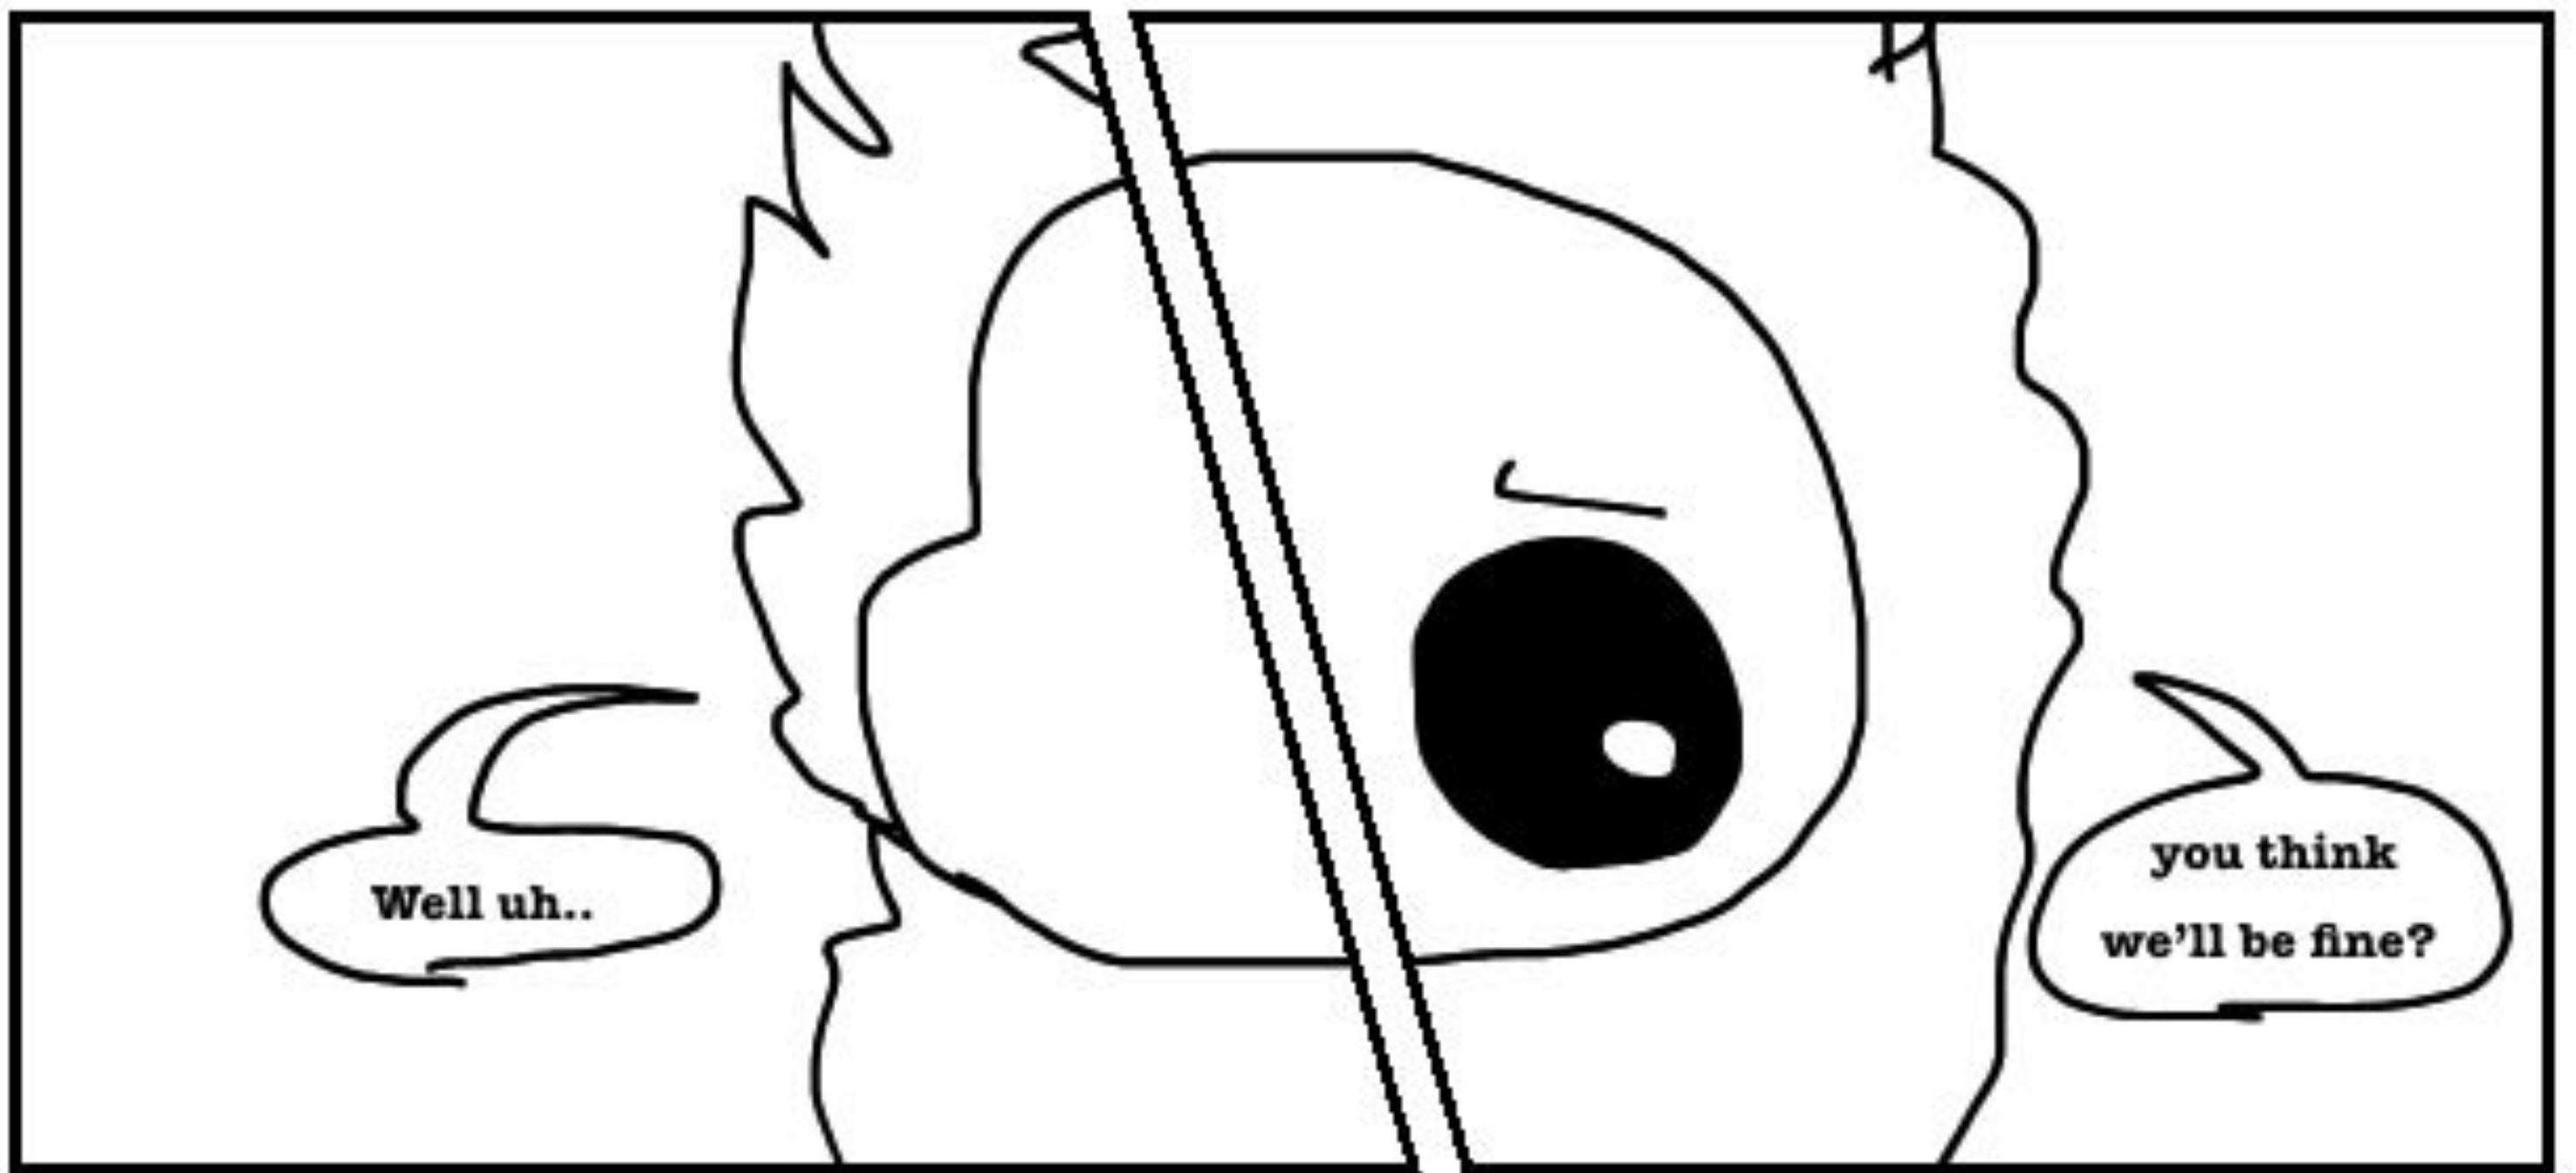

**WAIT.**

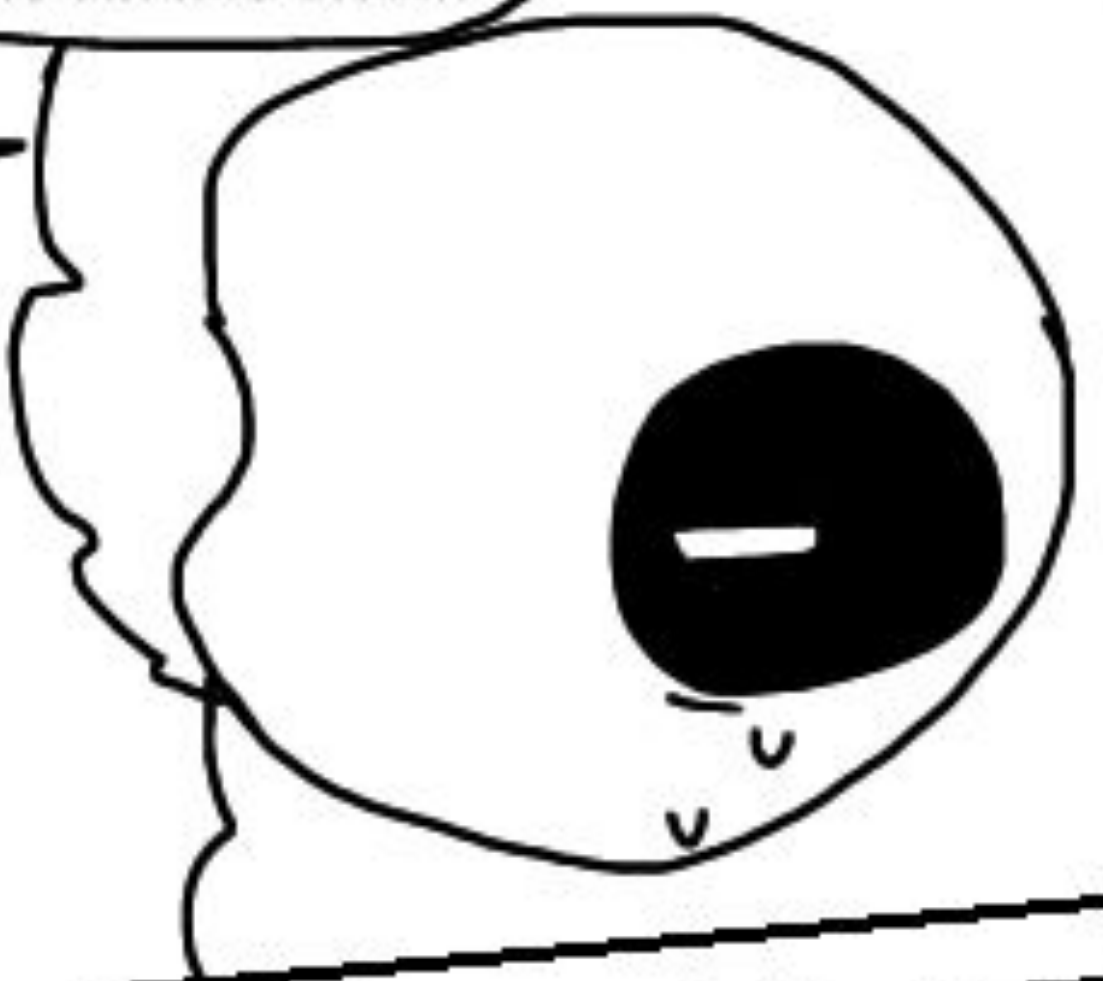

This is gonna be  
a big energy waster... ughh...

**MIKE'S GRUDGE: 50% SOLVED!**

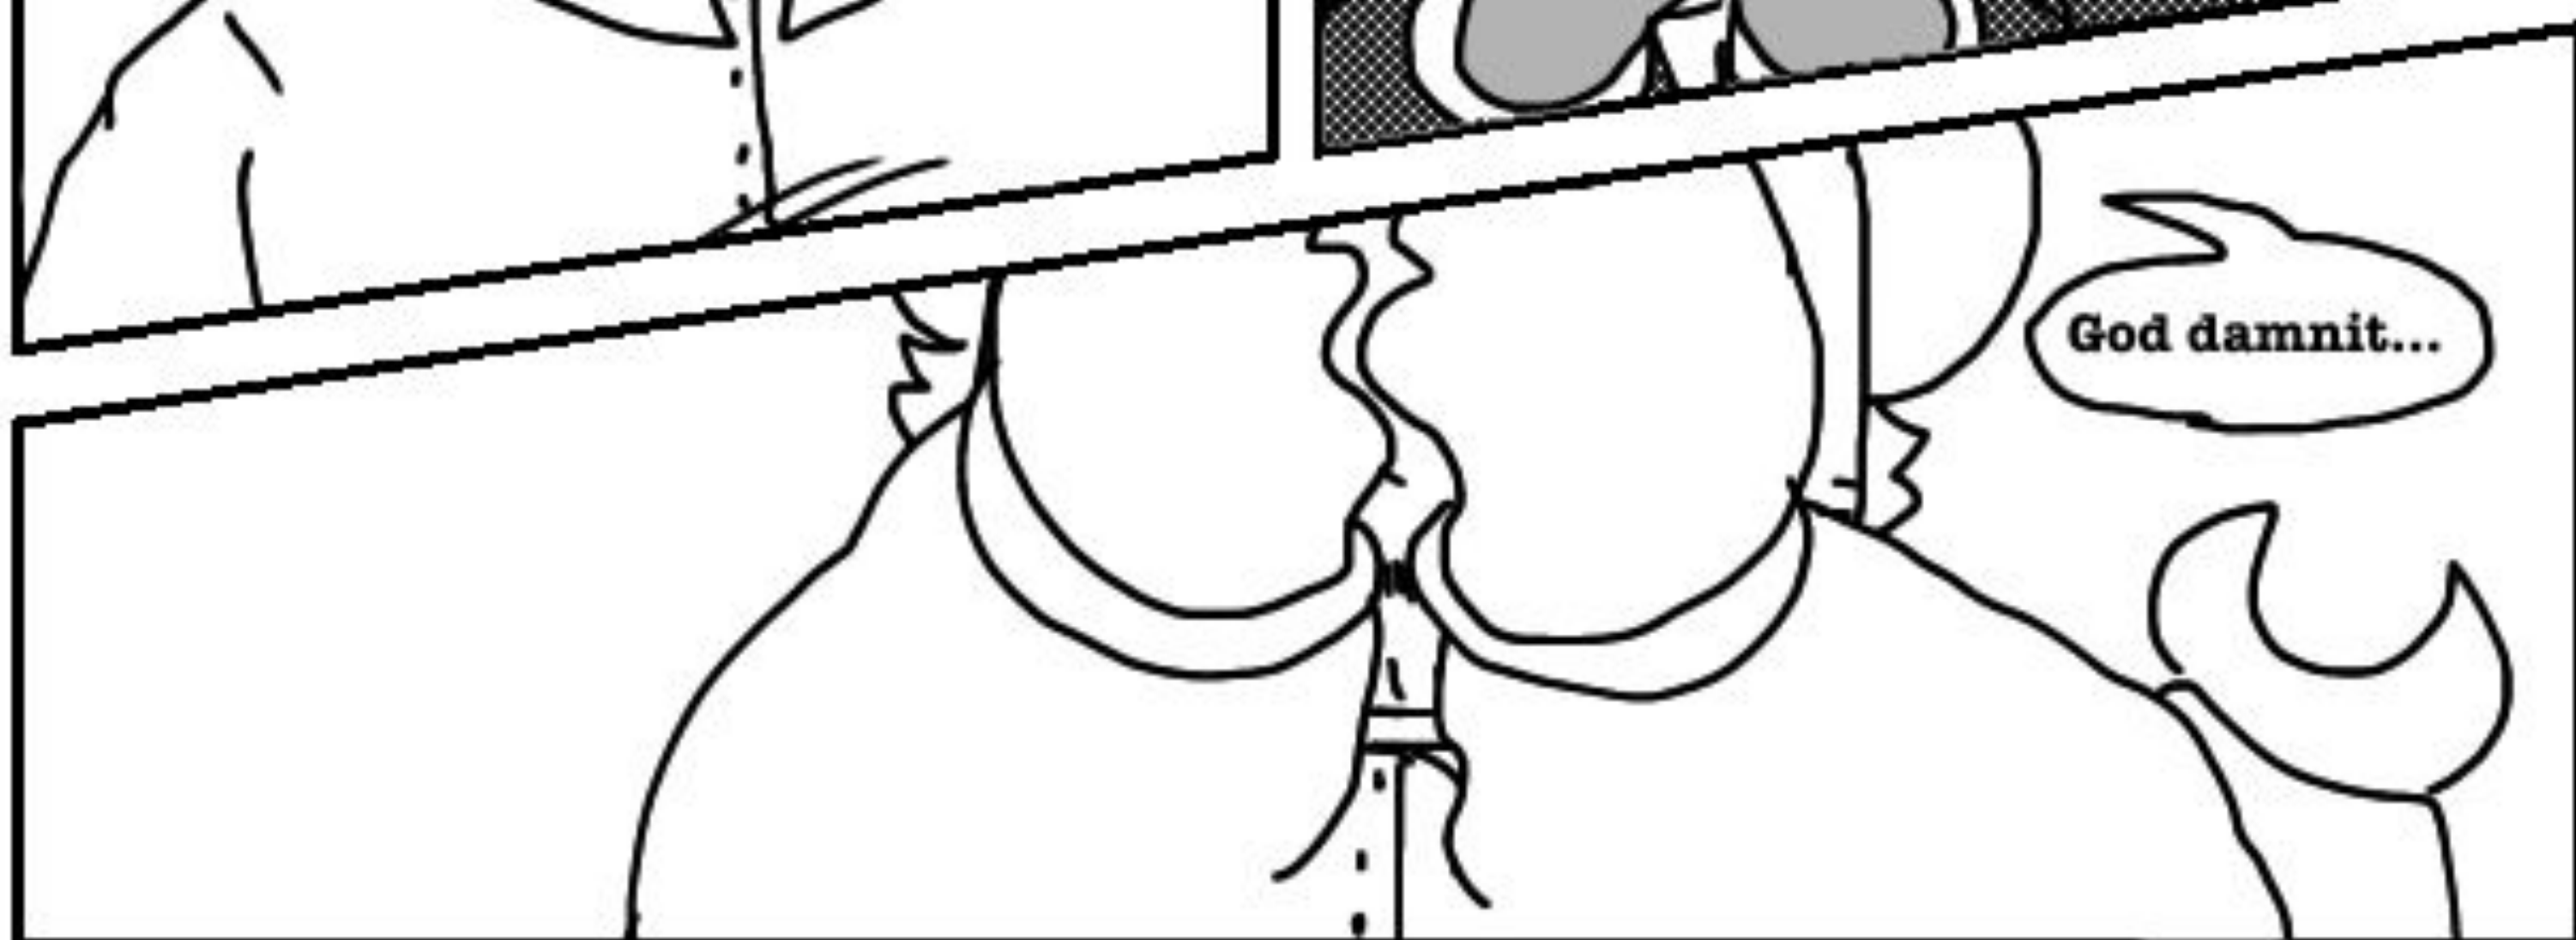

Chapter 46  
god damn

uh, so i guess i should  
get to the point on why  
mike and I came here.

i think it'd be a good  
idea to give evan back...  
even if he's...

"Yours till ya die" ...

Why?

what if there is  
someone  
at his home that's  
waitin'  
for him?

yeah! My son, Pebis is  
waiting for  
him at home.

you really  
named  
yer  
child  
pebis..?

if evan doesn't come  
home then... he'll probably  
be really sad

i'll pay you 5000 VIN for evan.

1 vin = 2.5 usd.  
 $2.5 \times 5000 = \$12,500..$   
jeez thats a lot

AH- I'M  
NOT WORTH  
THAT MUCH!

i'm already rich.  
Why would i want  
5000 VIN

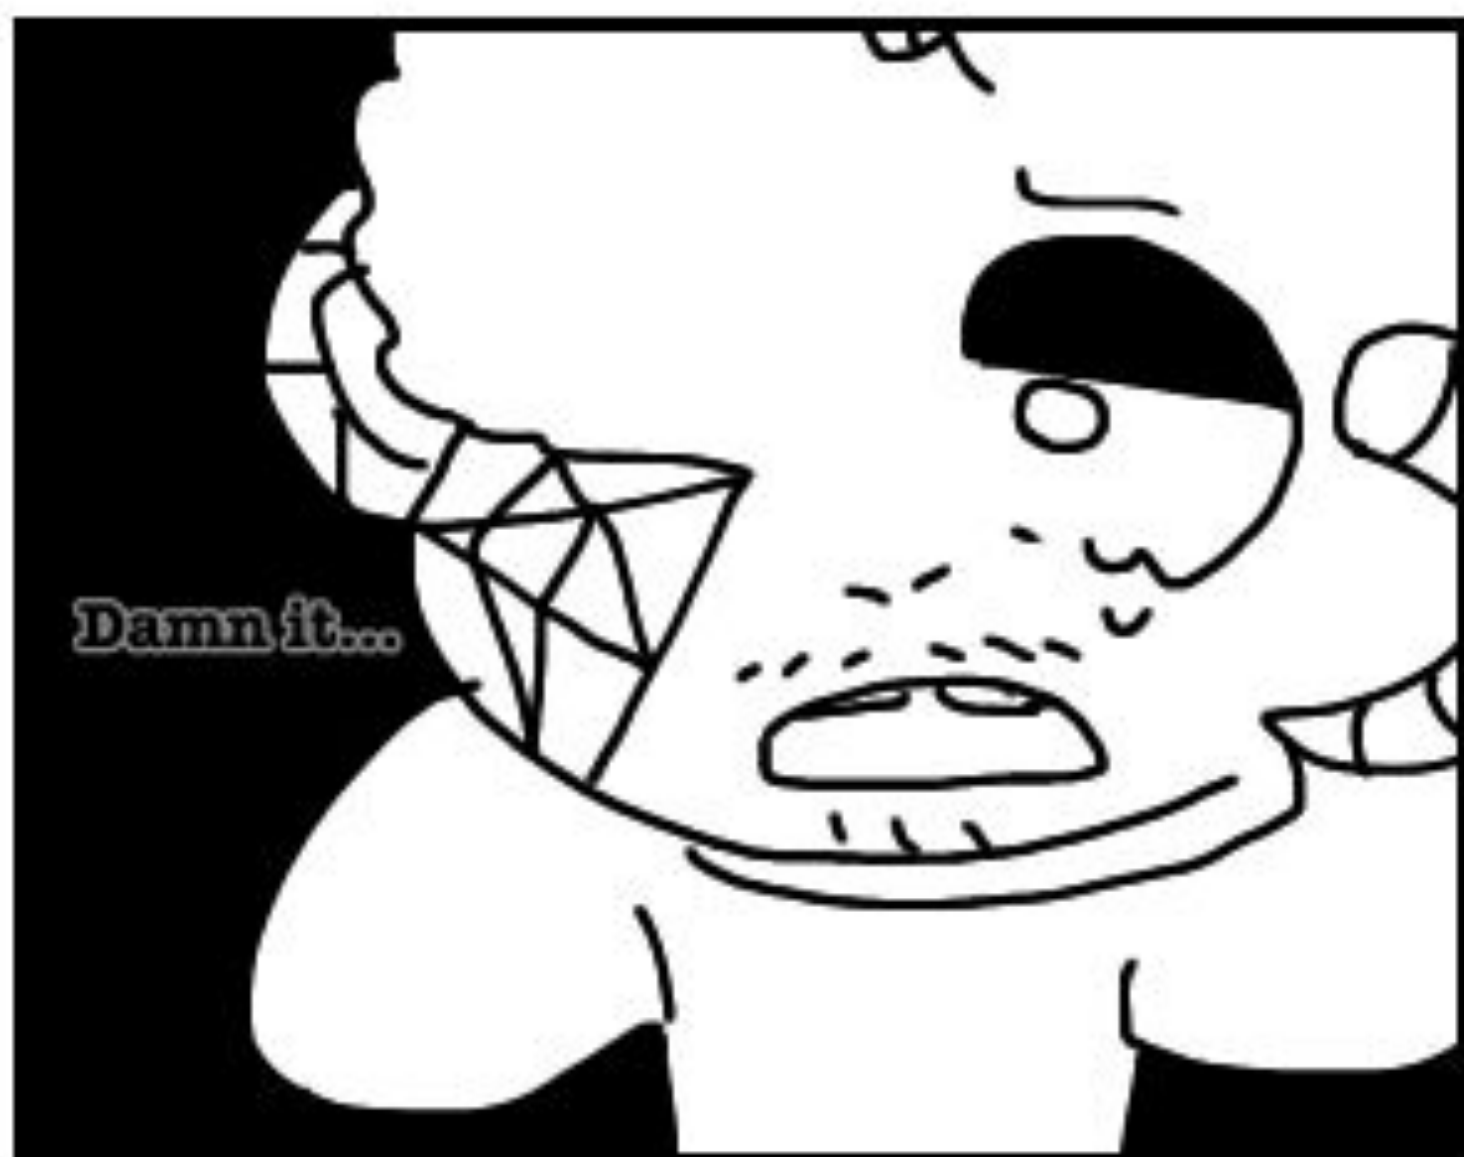

Bye.

The next day...

WAHHHH!

I think... it was the  
pills i took last night...  
for some reason...

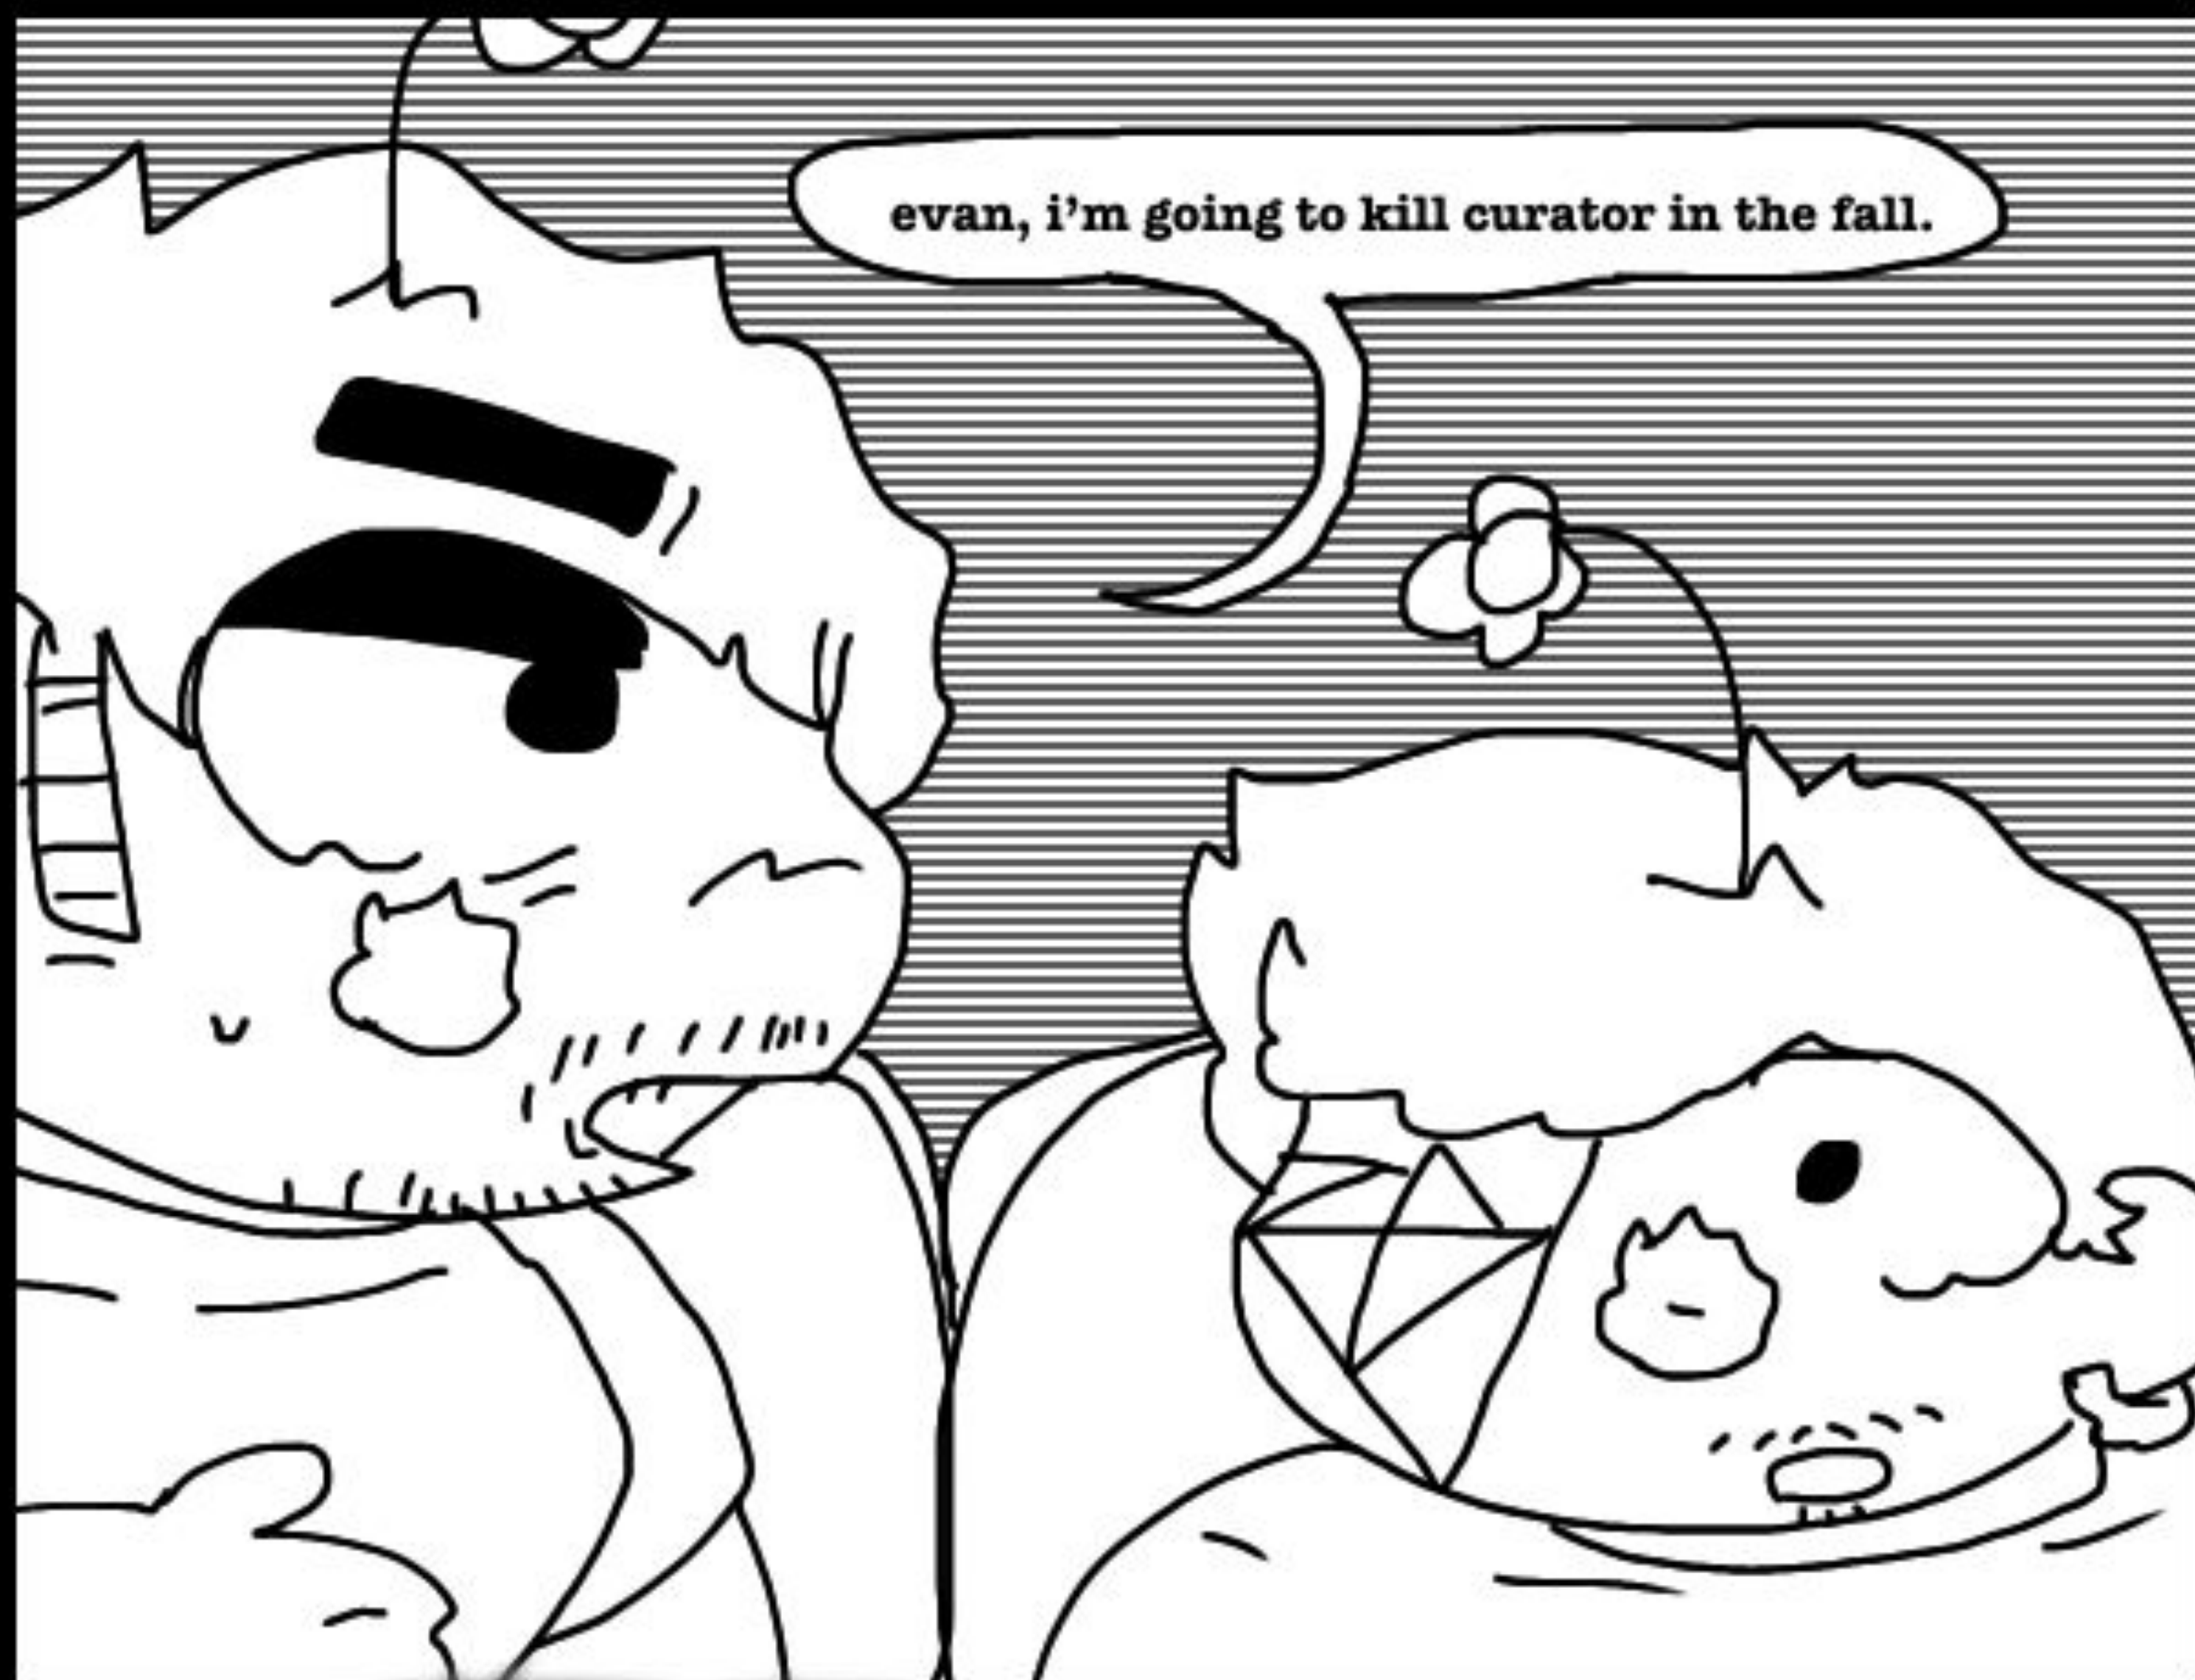

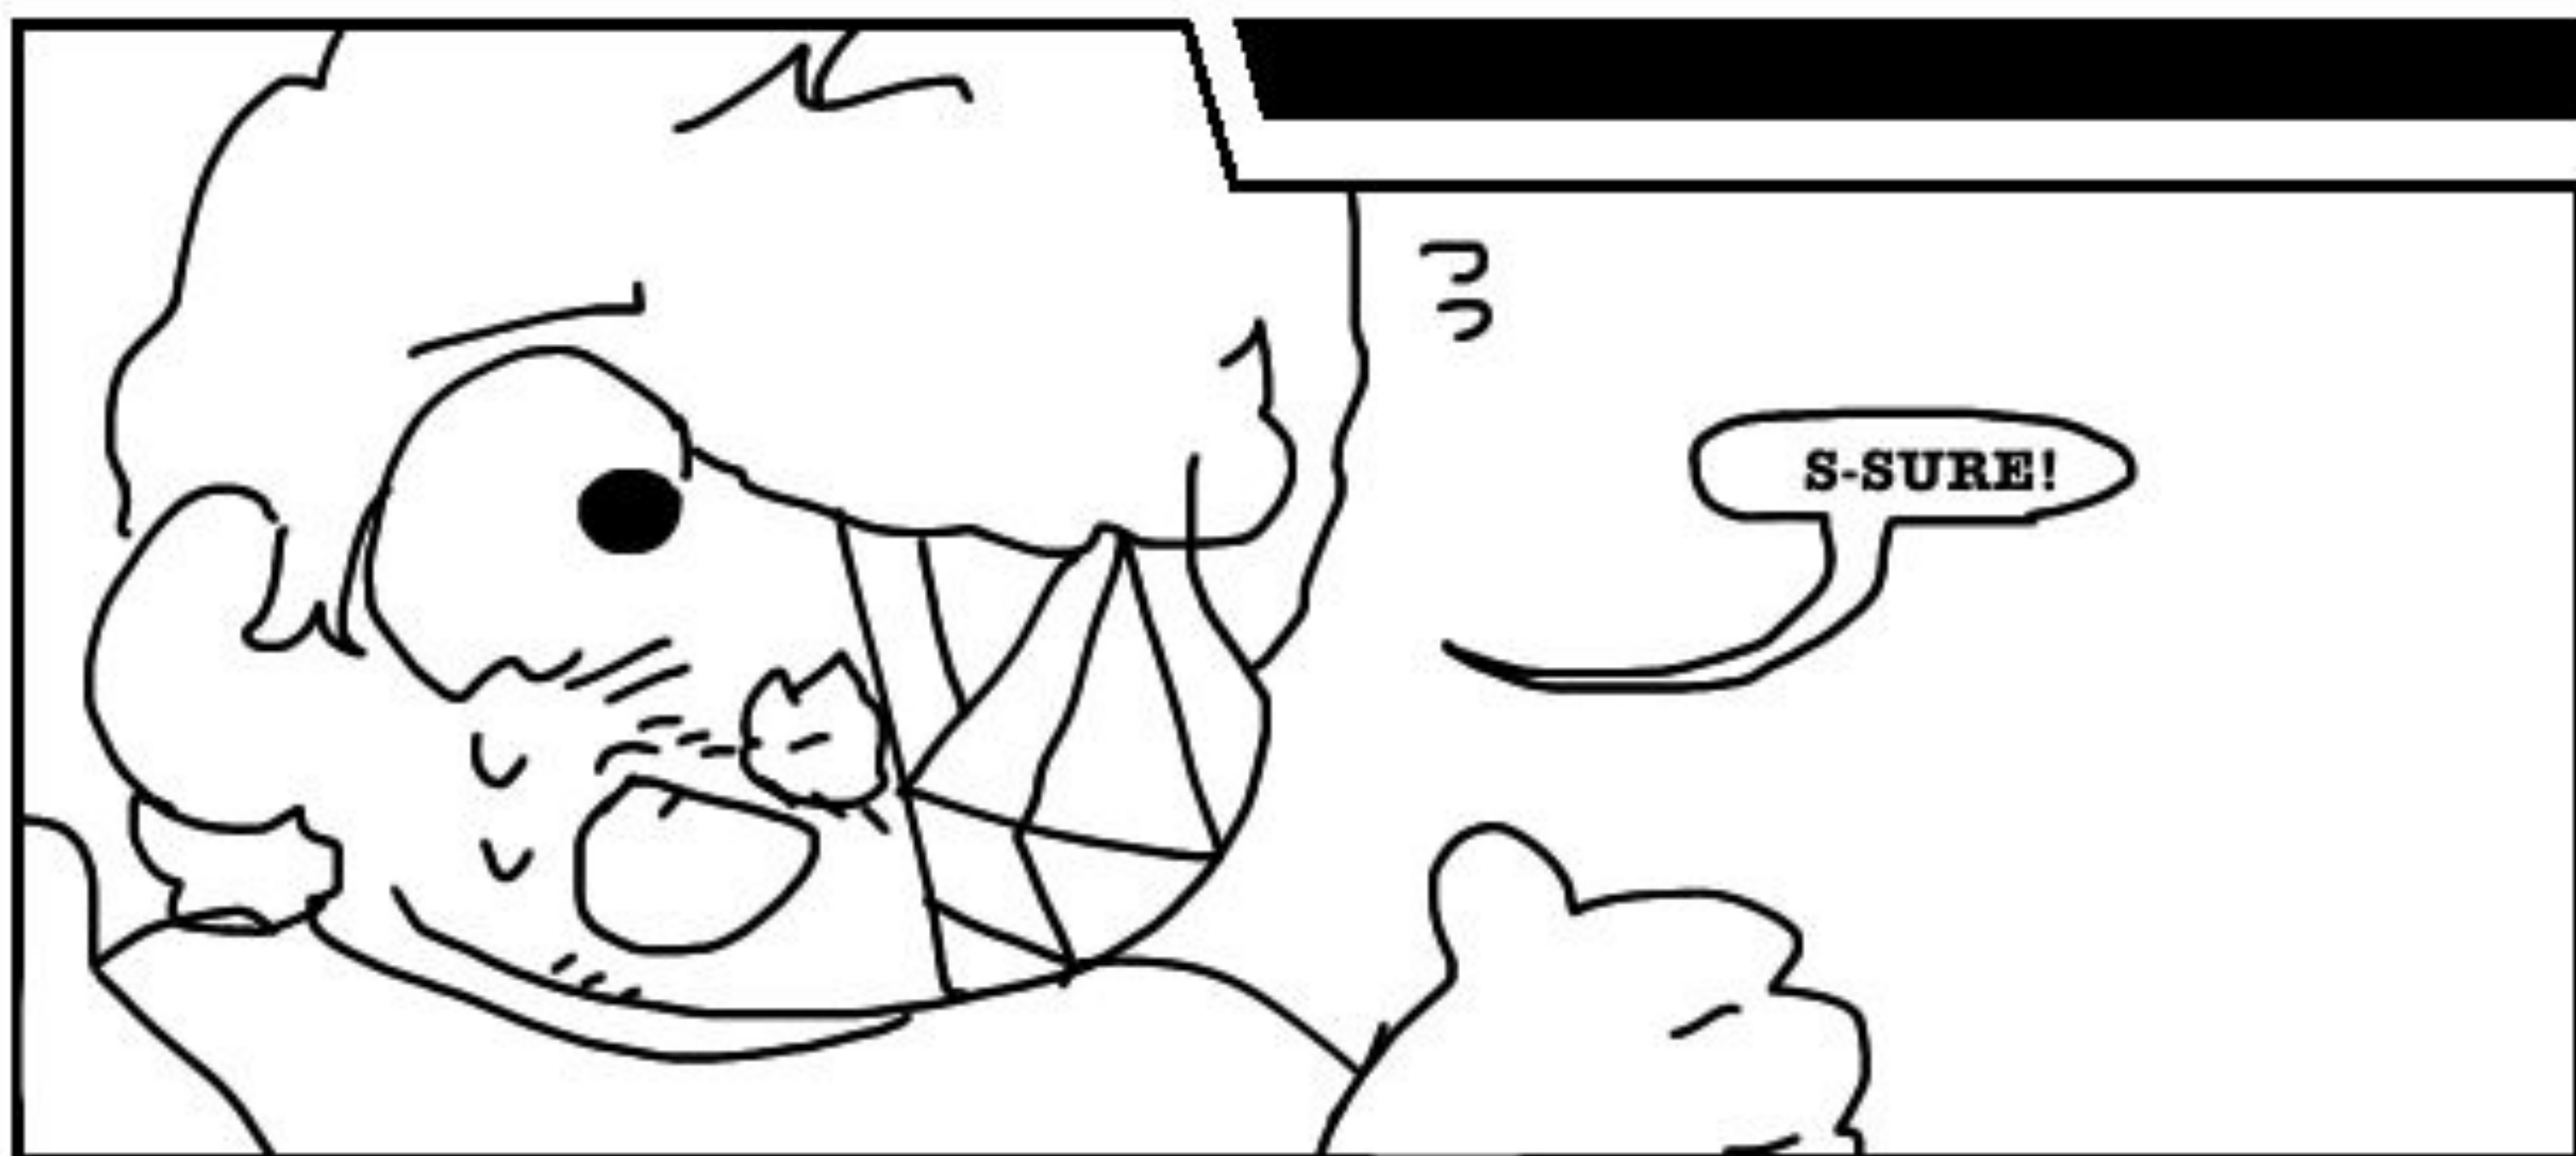

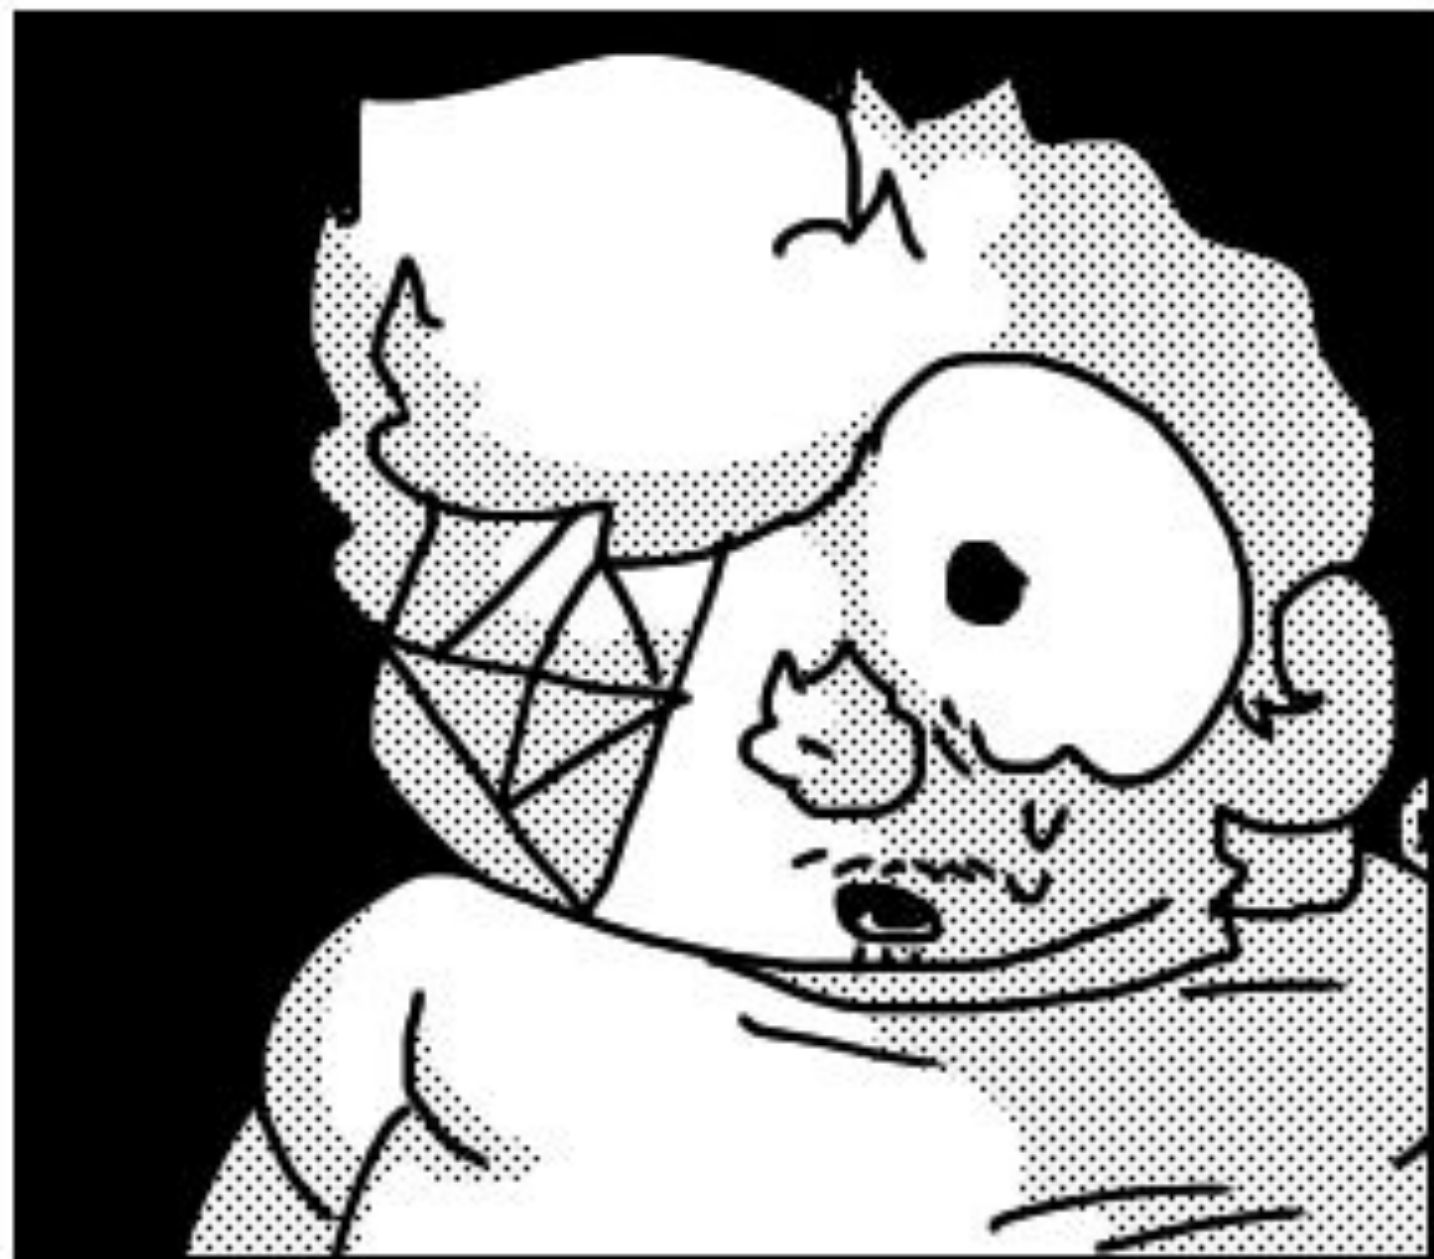

first, i'm quittin' the s.o.c.  
This'll make curator pissed  
and wanna kill me probably... hopefully

then, we'll both wait in the  
forest, waiting for him  
with guns... you'll hide  
with yers

finally. You could sneak up  
behind him and shoot him  
in the head!

Are you existing as human then?

I'd say so..

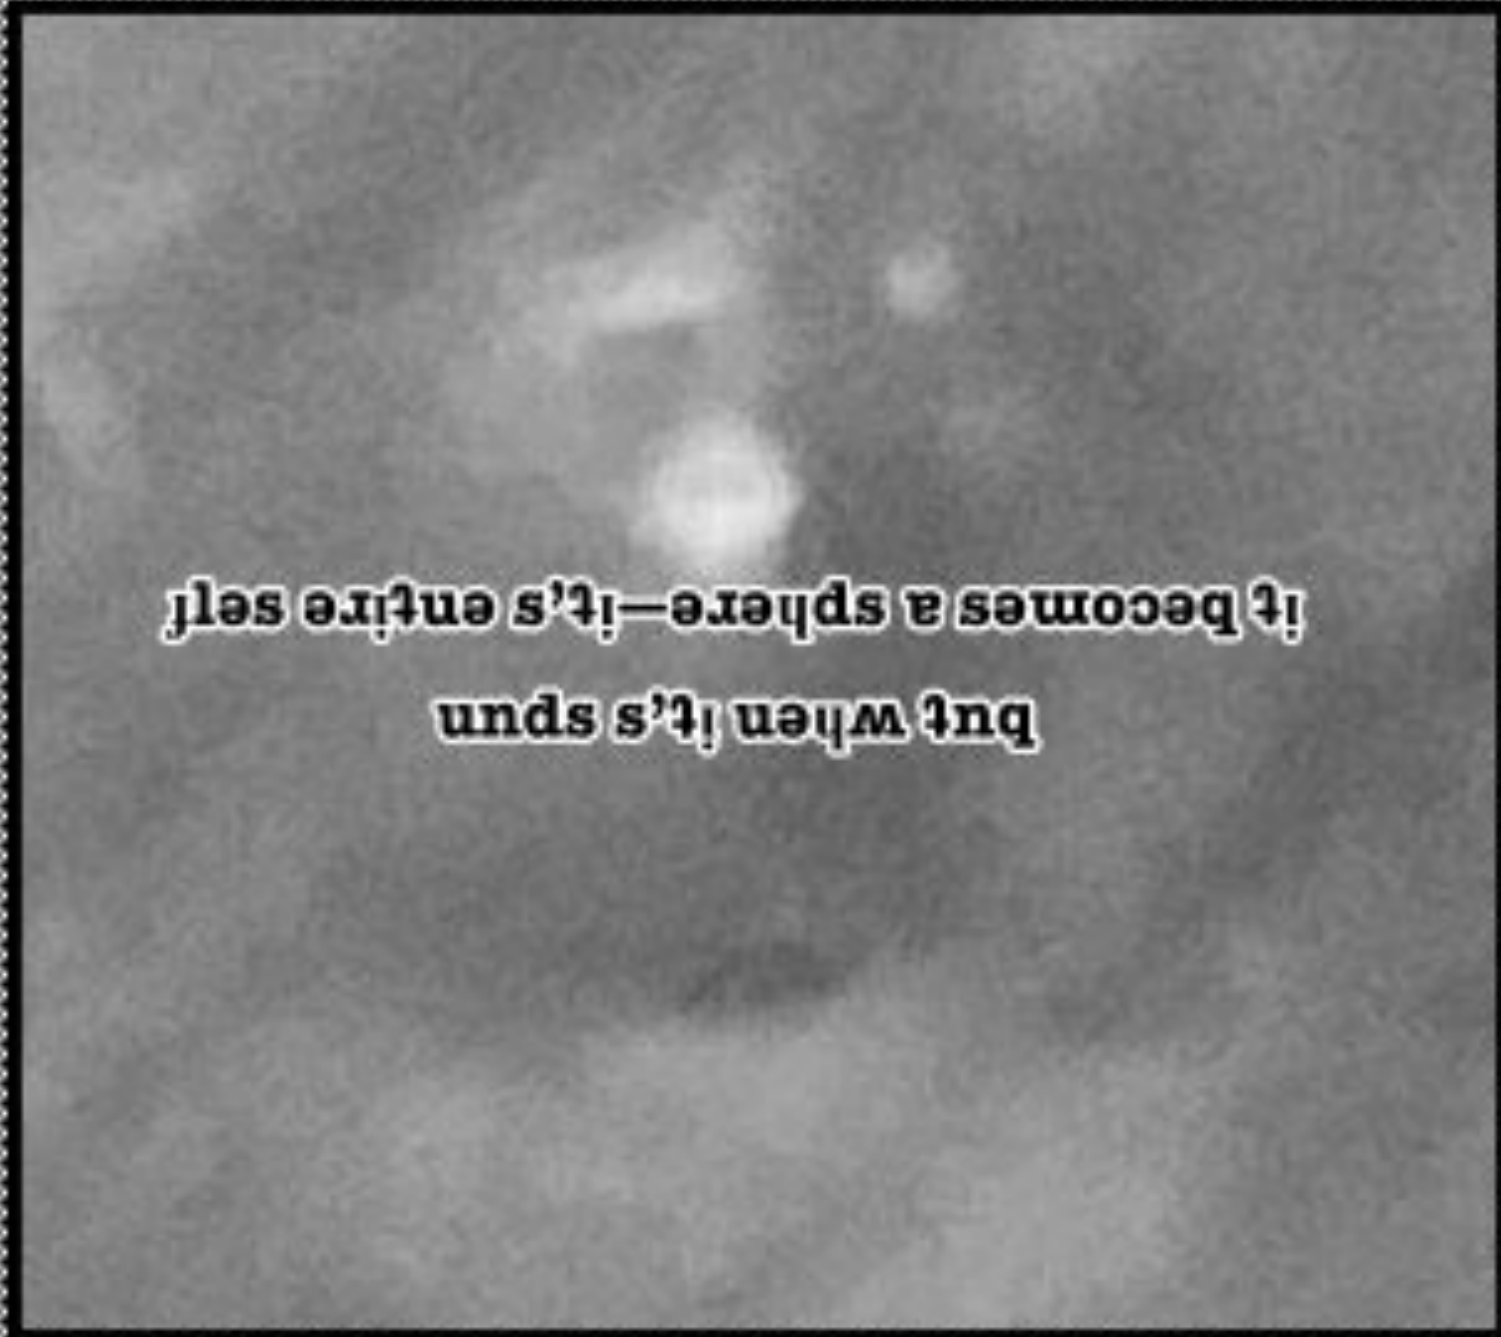

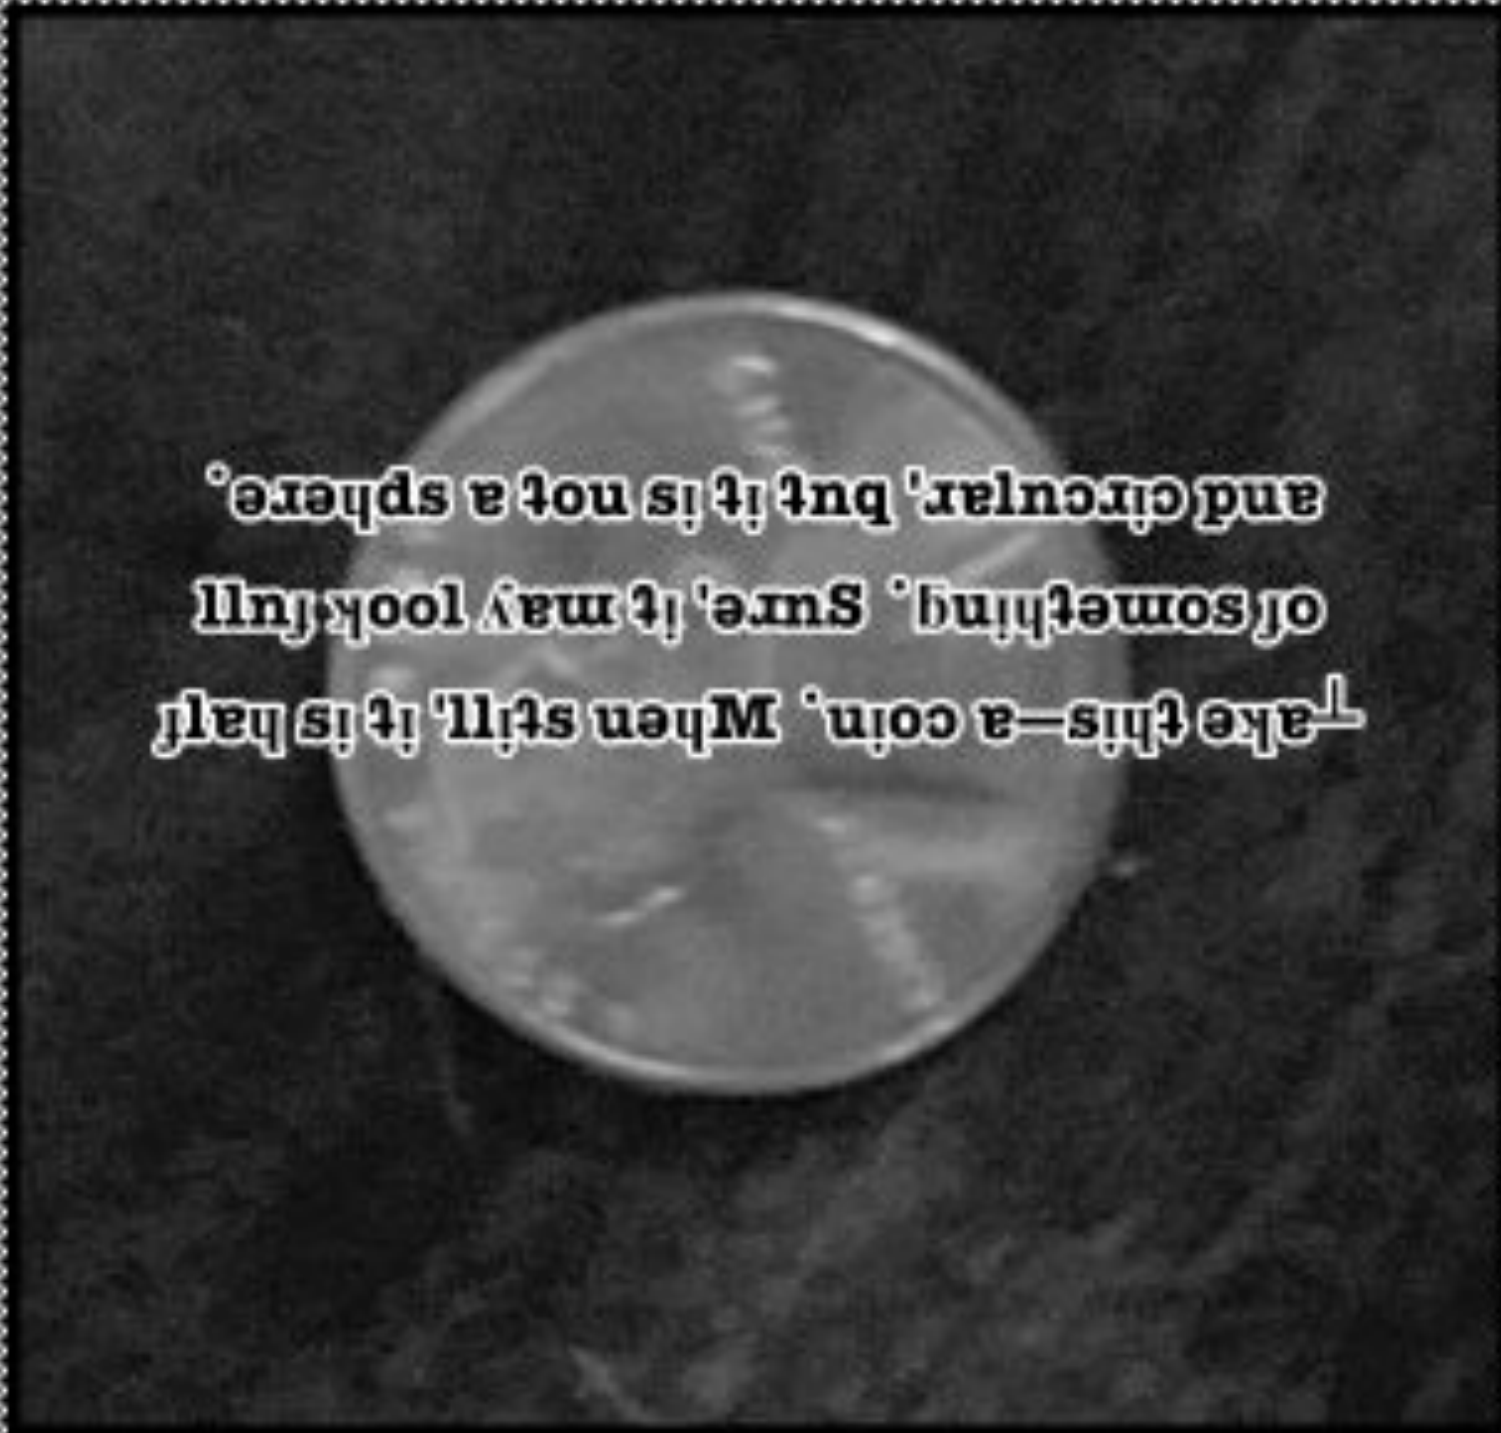

i have personality... flesh, bones.

I'd say thats me—thats human..

Would you still be human?
